USG Senate Meeting
Sunday, October 14th at 8pm
Lewis Library 138

- Background on the issue of voting rights for incarcerated and formerly incarcerated in New Jersey
  - The state of New Jersey currently denies the right to vote to the nearly 100,000 people, most of these people being African American
- The Bill
  - There is pending legislation in the New Jersey State Legislature, Assembly Bill A3456 and its companion bill S2100, that would extend the right to vote to all persons who are currently incarcerated, on probation, or under parole.
- Efforts SPEAR is taking
  - Collaborating with New Jersey Institute for Social Justice
  - Lobbying for the bill with legislators around the state
  - Building coalition with other groups on campus
  - Outreach to student groups on other campuses
  - Hosting a rally immediately prior to the bill’s hearing date (still to be proposed)
- Seeking advice for increasing student engagement, and bringing this issue to the forefront
  - what the Senate advises to encourage student body engagement
    - Recommendations? Suggestions?
    - USG Endorsement?
    - What opposition would we face on campus?
    - How to make this a non-partisan push?
    - Graphic design for marketing materials
