   A. Christopher Walton ’21
      1. I am very excited to be serving as Campus and Community Affairs Chair in my first year involved in USG. I am a Sophomore from Pennington, NJ and will be concentrating in Politics with a certificate in Urban Studies. I plan to focus on emphasizing the role of campus workers as part of the University community, as well as deconstructing socioeconomic hurdles that students face both on and off campus. Outside of USG I served as Co-Chair of Rocky College Council and am currently on the Director's Board of the Princeton US-China Coalition.
SECTION 1. Funding Request for Yardparties 2019

In accordance with section § 304.c.1 *Budget and Spending: Expenditures over $1000* of the Senate Constitution, the Senate approves the expenditure of $2,000.00 for Yardparties. This money will be used for booking an act to perform in the 2D co-op, and for food and other fees associated with the annual Yardparties event.
