    1. Hi everyone! I'm Sarah Lee '22, and I'm honored to be filling in as Chair. This is my second year serving as a student representative on the Undergraduate Housing Advisory Board, and I am a founding member of the Committee on Student Housing. After the release of our first report, we'll be moving forward with the goal of bridging communication between Housing and the student body by soliciting feedback, and statistically analyzing the Room Draw lists for 2020.
