We believe engaging a child's imagination is an important part of the healing and learning process. And what better way to imagine, than with costumes?

These tabards are simple. Start with a blank "canvas" and create your favorite creature, character, or design. Please keep themes kid-friendly, and stay away from the use of any expressions or lettering.

Your art should speak for itself.

**TABARDS**

1. Match front pieces together, inside out. Sew edges together. Leave opening at bottom to turn right-side out.

2. Turn right-side out. Finish open edge.

4. Turn right-side out. Finish open edge.

5. Sew front and back pieces together at the top.

6. Decorate as desired --- add trim, jewels, ribbon, or inlays. Be sure all items are sewed securely.
