GENERAL INFORMATION

ABOUT US

The Hayden Recreation Centre, a privately endowed non-profit corporation, provides a wide range of recreational, athletic, and social activities for the youth of Lexington. In addition, a special adult program is offered to Lexington residents over age 18 and to adults employed full-time within the town of Lexington. The Centre has two facilities located at the corner of Lincoln Street and Worthen Road. The Hayden Recreation Centre houses a swimming pool, gymnasium, weight training room, dance studio, gymnastics room, Josiah Hayden Pre-School, the Hayden After School program, ten activity rooms and a large athletic field for the various programs offered throughout the year. The John P. Chase Skating Facility has a modern indoor full-size ice surface with a full complement of programs including all levels of instruction and general skating sessions. The Recreation Facility is open Monday through Saturday from September 11 to May 26 except legal holidays. The Sunday program runs from November 12 to March 25.

For the safety of our members and staff the Centre may close due to inclement weather. Please refer to our website for closings and delays.

Due to deadlines, all new classes may not be included in this 2017–2018 program. A listing of all new classes will be available at the Centre and at www.jwhayden.org. Programs are subject to change due to enrollment or instructor. For those children who have special needs and/or requirements contact Siobhan Robb for the Recreation Centre or Billy Gore for the Skating Facility. Additional applications and programs are available at the Recreation Centre, Skating Facility and on our website.

Registration Procedure

In order to sign-up for classes you MUST have a current 2017-2018 membership.

Josiah Hayden Pre-School

Program is available September 2017-Early June 2018

About Us

The Josiah Hayden Pre-School is situated inside the J.W. Hayden Recreation Centre-a privately endowed, non-profit community center. While the Hayden Pre-School is currently in their fifth year, the Centre has been part of the Lexington community for over 59 years, providing quality recreational, athletic and social activities for children in town.

At the Josiah Hayden Pre-School, we strive to create a classroom environment that promotes an interest in learning, a strong sense of community, a celebration of the diverse cultures that make our town unique all while fostering each child's own independence. We focus on activities that support your child as a whole- emotionally, cognitively, socially, physically and creatively and do this by providing our students with a balance of free choice, play and structured learning.

Our Philosophy

The principle purpose of the Josiah Hayden Pre-School is to provide a supportive, developmentally age appropriate and positive first school experience to each of our students.

The curriculum at the Josiah Hayden Pre-School is designed to not only meet the developmental needs of each age group, but also challenge each student individually. Through monthly themes and daily discussion topics, our students follow a curriculum that enhances their language and literacy skills, helps to develop their math concepts and encourages scientific exploration.

Our staff work with the students to encourage and support them as they learn important self-help skills and independence.

We believe that play is essential to a child's development. Through the use of imagination, creativity and hands-on experiences, we can create a healthy environment for children to have the ability to express themselves, explore, discover their immediate world and have the opportunity to build their self confidence.

The Josiah Hayden Pre-School features:

- Two recently renovated, open concept mixed-age group classrooms
- Flexible scheduling that caters to the diverse needs of our families
- A safe outdoor space, play structure and garden designed and designated specifically for our pre-school students
- Indoor physical activity space in our gym
- The option for children to participate in a weekly recreational swim
- The ability to utilize a wide variety of resources within the recreation building
- A nurturing, supportive and knowledgeable staff

We are licensed by the Department of Early Education and Care. Although the required ratio is 1:10, we staff above the recommended staff-to-child ratios to allow for more individualized and personal attention to all our students.

Our program services children between the ages of 2.9 to Pre-Kinderergarten in a mixed-age group setting. Children are accepted on a first-come, first serve basis and all children must have a Hayden Membership and a completed Pre-School registration.

This program will not discriminate in providing services to children and their families on the basis of race, religion, cultural heritage, political beliefs, national origin, sexual orientation, disability or marital status

We offer Half and Full Day programs.

We also offer AM Extended, PM Extended and Lunch Bunch options.

MIDDLE SCHOOL HIGHLIGHTS

YOUNG ADULT BOOK CLUB

Grades 7-12

\$20/month

Reading is so much better when you CHOOSE to do it! Join us as we delve into some of the most interesting and beloved Y.A. books out there. We'll discuss the author's plot choices, character development, and tackle the larger questions each story presents. Our first book of the year will be "Fish in a Tree" by Lynda Mullaly Hunt. The instructor will have members vote on selected titles from there on out.

The club will meet on Thursdays 4:45-5:45 PM beginning on November 9th and run through March 22nd. Members are welcome to join whenever a new novel begins every month. Please email Siobhan at srobb@jwhayden.org for details on each new title.

HAYDEN AFTER SCHOOL

Hayden After School is an extended day activity program that is offered on a first-come, first-served basis to a limited number of Hayden members in Grades K–5. Hayden After School offers a caring, supportive and fun environment that is individualized to each child’s needs. Activities include games, special events, crafts, and free play. In addition, a healthful, nutritious snack will be offered. Not all children are suited to the Hayden After School program. We reserve the right, after a two-week trial period, to make that determination.

HAYDEN FIGURE SKATING CLUB

Approximately 400 children and youth are members of the Hayden Figure Skating Club. Practice sessions are held daily. These sessions are referred to as CLUB SESSIONS. Skaters eligible for CLUB SESSIONS have generally completed the Learn to Skate Basic Skills Badge Program and are taking private lessons. These skaters are learning the skills necessary for the United States Figure Skating tests in Freestyle, Moves in the Field and Ice Dance. They are eligible to test and compete in U.S. Figure Skating sanctioned events. ALL skaters using CLUB SESSIONS MUST be registered members of U.S. Figure Skating as well as Hayden. Membership applications are available at the Hayden Skating Facility counter. Membership cost for U.S. Figure Skating is \$60.00 for first family member and \$24.00 for additional family members. Memberships must be renewed each spring. Membership year begins July 1 and runs thru June 30. IT IS STRONGLY RECOMMENDED THAT YOU PREPAY FOR CLUB ICE SESSIONS ON A MONTHLY BASIS. Sign up forms are available at the Ice Facility Counter and online at jwhayden.org.

TEST SESSIONS (Monthly)

NO GENERAL SKATING on the second Wednesday of each month so that we may hold U.S. Figure Skating test sessions. A schedule of the planned test sessions and test applications are available at Ice Facility counter or on the Hayden website. Applications are due two weeks prior to the test session desired. Occasionally the test sessions are cancelled or rescheduled. It is wise to telephone regarding these sessions.
