

Love Butterfly

On each wing of your Love Butterfly, draw something you LOVE about your city – Hull! You can use words, pictures, stickers or even make a collage to show your favourite parts of your city.

Send photographs of your Love Butterfly landing in different parts of the city to info@lagoonhull.co.uk or tag @LagoonHull and we will show them on Instagram!

How many places will yours fly to?

Cut out your wings, glue them to the body and make your Love Butterfly come to life!
