Overmatting Instructions- 20" x 28" Print

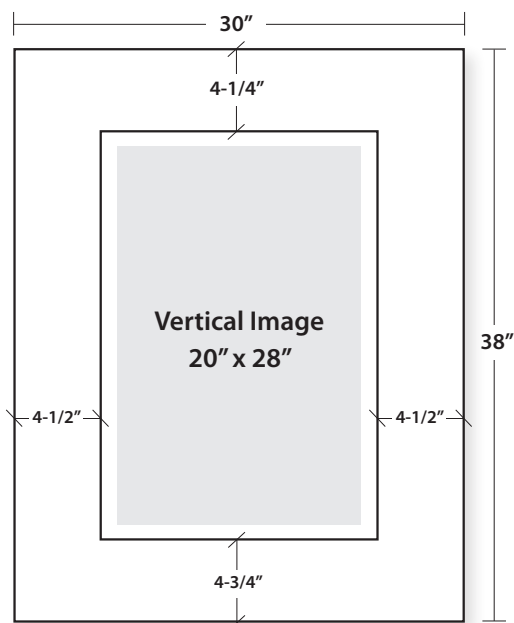

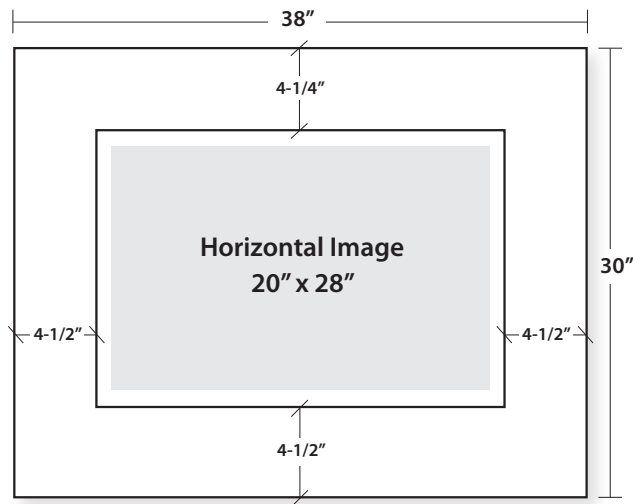

IMPORTANT: Actual image size dimensions may vary. It is best to measure the specific image you are overmatting and then allow for a 1/2" reveal.

Image Size - 20" x 28"

Mat Size - 30" x 38"

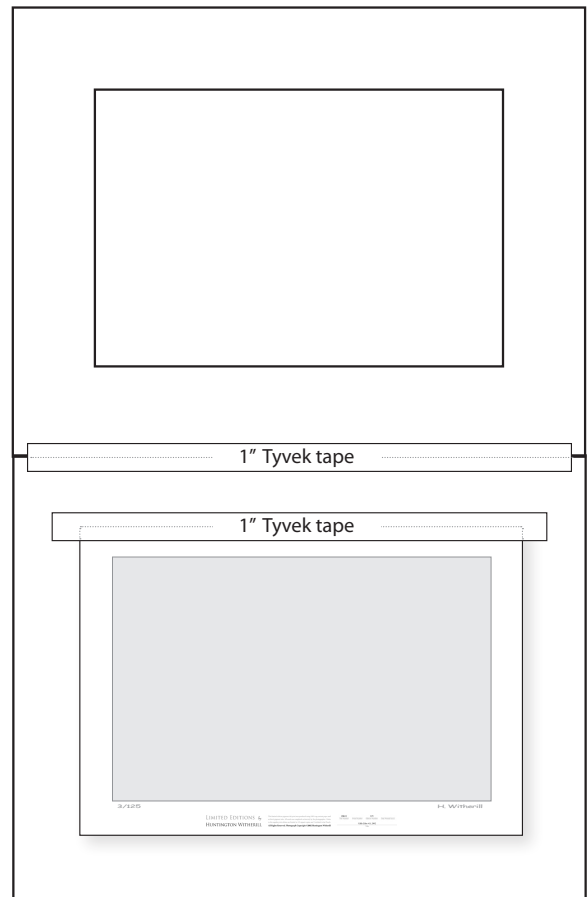

Recommended Mat & Overmat Material

8-ply White 100% Rag Museum Board

Please Note-

It is **highly** recommended that **Tyvek** (or similar) tape be used to affix the print to the the backing board (as shown in the illustration, below). Using photo corners will cause the print to eventually sag within the finished frame.
