HERITAGE OPEN DAYS

13-22 September 2019

WINCHESTER

OVER 140 FREE EVENTS
Now in its fourth year, Winchester Heritage Open Days just seems to get bigger and better. We are always delighted to see so many favourites return and excited to be introducing some new events too. Remember, each one is FREE to attend but some of the more popular events get booked up very fast, so you will need to be quick!

We are immensely grateful to our lead sponsor, Winchester College, for supporting us again this year and look forward to welcoming you to all the wonderful events that they are so generously hosting for us. We would also like to extend a warm thank you to all our other sponsors, supporters and volunteers, including Hampshire County Council for allowing us the use of the Great Hall and the City of Winchester Trust and University of Winchester for their invaluable help.

Nevertheless, we live in challenging times and whilst the festival continues to grow in popularity, so do its costs. With over 140 free events on offer this year, the festival is entirely run by an enthusiastic team of volunteers who all give up their time for free. Winchester Heritage Open Days is a community festival and we want it to remain so, but we receive no core funding and rely solely on grants and the generosity of local businesses, organisations and individuals for financial support to keep the festival afloat.

We hope you will find much to interest you in this year’s packed programme of events but, if you would like see Winchester Heritage Open Days back again next year, we need your help. Please visit our website for more details but, if you particularly enjoy an event you go to and would like to show your appreciation in some way, any donations you are able to put into our little pink pots will be very gratefully received and will go a very long way.

We very much look forward to seeing you this September.

Nicky & Becky

TALKS AND TOURS GALORE!

With some excellent speakers lined up on a whole range of topics, you may find it hard to choose which to go to... There's Masterchef winner Jane Devonshire who will be sharing her passion for local fare and some inside gossip on the show; or perhaps ITV journalist and presenter, Alastair Stewart, discussing the impact of technology on news coverage; and also historian, Rebecca Rideal, who will unravel one of the most important events in British history. And there are dozens of tours taking place around Winchester and further afield but do book up early as they are always popular.

IT’S SHOW TIME

Come and watch the talented Blue Apple Theatre perform at two different events this year, the Waynflete Singers return to the Great Hall and the Winchester Musicals & Opera Society will be entertaining us with extracts from their hugely successful production of Made In Dagenham at St Maurice's Covert. Performing in costume, the Madding Crowd will bring their new programme to Pilgrims’ Hall, and we are looking forward to poetry events from both Loose Muse and Winchester Poetry Festival. We are delighted to welcome back 2Time Theatre who will be shining a spotlight on the pioneering Hampshire engineer Beatrice Shilling in an original drama of Tilly and the Spitfires.

BE NOSEY

Don’t miss this chance to go behind closed doors and discover parts of the city you never knew existed. Book a special tour at Winchester College, visit its Treasury, hear the Quiristers rehearse and attend talks in New Hall. Go behind the scenes at the Hampshire Cultural Trust and learn about their impressive collections. Come and meet the Mayor of Winchester in her official home at the Abbey House Open Day and get a glimpse of a Regency ballroom on a guided tour of St John’s Assembly Rooms. Further afield, the IBM Museum at Hursley House will appeal to computer buffs... but did you know the building was also once home to the team behind the Spitfire?

FAMILY FUN

Feeling creative...? Then grab a paintbrush at The Colour Factory or join in the Hyde900 Medieval tile workshop. If your little one is an aspiring chef, then let them try Chocolate-making at Montezuma’s or they can pick up tips at Fishy fun for mini Steins. Don’t forget to pop in to the Military Museums, see how flour is made at the City Mill and go backstage at the Theatre Royal. Try out sports and other activities at the Lido, watch Medieval Knights at the Westgate in combat and visit Weorod: Early Medieval Living History near the Cathedral. Go treasure hunting at the Winchester Quaker Meeting House, meet Regency dancers and Tudor musicians at The Great Hall and book in to one of the many storytelling sessions around the city.
Winchester College is delighted to sponsor Winchester Heritage Open Days again this year.

"POETRY, PIES AND PEOPLE POWER - WHAT’S NOT TO CELEBRATE!

This year we are celebrating HODs’ 25th Anniversary, but there is much more besides! Look out for events on Keats200 remembering his visit to Winchester, People Power, the First 100 Years of Women in Law and the centenary of Women’s Engineering Society. And if that isn’t enough we thought we would throw in a little more fun with a Food & Drink theme too!

OUT AND ABOUT

One of the best ways to enjoy the city is on foot so why not join our guides and discover the fascinating history of West Hill Cemetery and Medieval Winchester, walks taken by Keats in Hyde, and Nature Tours on St Cross Meadows. Travel on a vintage bus with King Alfred Buses and take in the historic sites on Bespoke Biking’s Bike Tour of Winchester with interesting facts and quirky tales along the way. Further afield there’s plenty to keep you amused at the Worthys Festival and Bullington Village Fete. In Alresford you will find a Norman Bridge and an Eel House and you can book a guided tour of The Grange at Northington, a ‘roofed’ ruin of one of the earliest Greek revival houses in Europe.

AND NOW FOR SOMETHING COMPLETELY DIFFERENT...

New for this year are Craft Skills Workshops with Granary Creative Arts, a Winchester Cathedral Open Evening and a rare opportunity to see inside Abbots Barton Farmhouse with a history that can be traced back to Hyde Abbey. You can also visit three Open Greener Houses, organised by Winchester Action on Climate Change, and talk with the owners about ways of reducing energy consumption in your home. Take a trip to Southampton to see God’s House Tower which will reopen in September following extensive refurbishment. Built to defend Southampton from attack 700 years ago, it will become the city’s newest arts and heritage venue.

Winchester Heritage Open Days: 13-22 September 2019

HODs are an amazing opportunity to discover hidden places and to try out new experiences. Come and explore four days of events celebrating Winchester’s rich cultural heritage.

It’s fun, fabulous and FREE!

More information on all events, to book online and to find out about volunteer opportunities, visit:
