The New 3-Click Referral Portal
www.QuitNowReferral.com

Providers and Employers have a new way to enroll tobacco users in the Indiana Tobacco Quitline. www.QuitNowReferral.com

To start sending referrals using the online portal

1. Search for the referring entity in either the Name, Fax Number, or Phone Number search fields, or click “Browse All”.

2. Once the correct “Clinic Name” is found, click on it.

Reminder: If the desired Clinic Name is not found, click “Add Clinic/Hospital” and enter in the required fields to add the provider/employer to the database. After your submission, it takes 24 hours for the provider/employer to appear in the search results.
2 Confirm the provider/employer information

- On this page confirm the provider/employer information is correct, indicate if it is a HIPAA covered entity, and click “Next”

3 Complete the Patient Information fields

- Lastly, complete the Patient Information fields and click “Submit”.
- Upon submission, the Indiana Tobacco Quitline will reach out to the tobacco user to offer enrollment within 48 hours.
- As with fax referrals, HIPAA covered entities will receive a faxed outcome report detailing the participant’s enrollment status.
