RefuSHE would like to invite you to participate in our signature Fashion Challenge event streaming LIVE around the world on February 24, 2022!

Celebrating the power of philanthropy and fashion's ability to tell a story through art, RefuSHE's annual Fashion Challenge is an opportunity to shine a light on and garner support for the young women we serve. Inspired by “Project Runway,” Fashion Challenge designers compete to impress a panel of prominent judges by creating an original haute couture look that incorporates fabric handcrafted by RefuSHE’s Artisan Collective.

For over a decade, RefuSHE's Fashion Challenge was a spring season mainstay event in Chicago. In 2020, we had to “reimagine” the event as a virtual experience that was shared with audience members around the world.

This year, following RefuSHE’s leadership transition to Kenya, we are bringing the Fashion Challenge to Nairobi to partner with East African designers and showcase the diverse talents of the region’s burgeoning fashion scene!

We hope to use the Fashion Challenge’s unique global reach to spotlight the artisanal skills of RefuSHE’s Artisan Collective and amplify the voices of Kenya's creative community.

Will you join us at ‘Fashion Challenge 2022: Destination Nairobi' and help bring that vision to life?
Last year, audience members voted LIVE for their favorite runway looks. This year, we’re inviting our global community to join us on a virtual trip to Kenya for a one-of-a-kind runway experience!

**LIVE STREAM HOSTED BY:**

**FEATURING:**
Kat Graham
Actress & UNHCR Goodwill Ambassador

Using fabric handcrafted by RefuSHE’s Artisan Collective, each look will be judged based on originality, wearability, construction quality, design creativity, and respectful incorporation of the young RefuSHE woman’s story that inspired it. The runway show, judging panel, and accompanying program will be streamed virtually on February 24, 2022.

RefuSHE’s signature Fashion Challenge event is more than an annual fundraising gala. It is a unique opportunity to showcase the diverse talents of East Africa’s burgeoning fashion scene, celebrate the power of philanthropy, and garner support for the young refugee women we serve. They are the heroes of their own stories and they inspire and motivate us every day.
