Qualifications Summary

- Experience has given me an in-depth understanding of film and media and how to produce it. I have been exposed to many long hours of production and many different aspects of that production. I have worked in positions such as: writer, director, producer, production assistant, script supervisor, grip, gaffer, boom operator, and editor.

Strengths and Accomplishments

- I am a hard worker and always go above and beyond with any tasks I am given. I am not afraid to ask questions when necessary and I also am a very quick learner. I am dedicated to my role and will always offer help to others who may need it. I have shown these strengths in many productions and also during my time as a Production assistant for University Media Services and PBS affiliate WIPB.

Technical Proficiencies

- Celtx, Adobe Premiere Pro, Photoshop, After Effects, Lightroom, Protools
-
