

MATOUK

Fall 2021 Collection Copy

Fall New Arrivals

For our Fall 2021 Collection, we sought to create designs that echo the beauty, joy, and comfort of the season itself. Here you'll find fresh color schemes, exquisite embroideries, and a beautiful appliqué design—along with the introduction of new Schumacher prints for the bed and, for the first time, the table.

New Bed and Bath

Our new arrivals pair joyful hues with classic Matouk elements. Vibrant splashes of color meet timeless tape appliqués, petite French knot embroidery enlivens crisp sheeting, and playful stripes add beachy charm to our beloved Cairo terry. We also welcome two new Matouk Schumacher floral prints and a bold embroidery, from their celebrated assortment of tapes and trims, to the collection.

Garden Gate Duvet Cover

Joyful, painterly blooms grace Schumacher's beloved Garden Gate chintz, which we've brought to our best-selling 500 thread count Luca Egyptian cotton percale as part of our collaboration with the storied design house. Available in three romantic colors and finished with a complementary corded edge, Garden Gate is the epitome of chic.

San Cristobal Duvet Cover

Here to bring some toile de jouy to your bed, Schumacher's San Cristobal will guarantee the sweetest of dreams. Though a faithful reproduction of an 18th-century document, this pattern has remarkably modern sensibility. We've paired it with our lightweight, super-luxe 500 thread count Luca Egyptian cotton percale and finished it with a subtle scalloped taped edge.

Augusta Coverlet

Effortless and elegant, Augusta is a beautiful matelassé woven in Italy with the perfect drape and an inviting feel. Crafted in a mix of neutral and bold hues, Augusta's shams and coverlets bring texture and dimension to the bed.

100% cotton.

Basketweave Sham

Basketweave, the newest quilt in our collection, features a timeless geometric that elevates any bed. Crafted from our luxurious Nocturne sateen, Basketweave is available in six luscious colors.

Nocturne 600 thread count Egyptian cotton sateen.

Coleridge Coverlet

A textural, visual delight. For Coleridge, we've adapted Schumacher's tumbling-block pattern of the same name, crafting a collection of shams and coverlets made of stone-washed fabric with a lived-in look and rich feel.

Feather Flat Sheet

Pairing classic Matouk embellishment techniques with our finest Giza Egyptian cotton percale, Feather is one of our most exquisite designs. A unique combination of appliqué and embroidered details adorns our luxurious Gatsby 1000 thread count sheeting, creating a bed of unmatched quality, craftsmanship, and elegance.

Astor Braid Flat Sheet

Embroidered on our crisp 520 thread count Ceylon percale, Astor Braid is a style with quintessential appeal. The bold design from Schumacher's celebrated collection of tapes and trims is a timeless script, suited for pairing with an array of patterns.

Francis Duvet Cover

Chic, elegant, charming and beautiful. That's Francis, the first Matouk style to bring our signature appliqué technique to a colorful base. Perfect for those looking for an alternative to the all-white look, it's crafted from our lightweight 615 thread count Talita Giza Egyptian cotton sateen. Take note of our favorite detail: the border appliqué return, a special treat when turning the top sheet down.

Hatch Flat Sheet

Striking in its simplicity, Hatch is crafted with petite French knot stitching in subtly contrasting hues on our luxurious 520 thread count Ceylon percale. It's the perfect style for a crisp dash of texture and color.

Ceylon 520 thread count cotton percale.
Made in the Philippines of fabric from India.

River Duvet Cover

With rows of appliqué tape and our signature scalloped edge on crisp 500 thread count Luca Egyptian cotton percale sheeting, the River collection is classic—and unmistakably Matouk.

Available in a mix of soothing neutrals and vibrant hues, it's a brilliant choice for those who want to introduce a bold but minimal strike of color.

Introducing The Matouk Schumacher Table Collection

Our first foray into table linens with Schumacher celebrates the joyful spirit of entertaining, and features four beloved prints such as the instantly recognizable Citrus Garden and the endlessly chic Iconic Leopard. Mix the patterns together or create a cohesive look to set an unforgettable scene.

Iconic Leopard Tablecloth

Introduced in the 1970s, Schumacher's Iconic Leopard is alluring, distinctive, and endlessly chic. We've printed it on our classic linen in a daring green for a table collection that's fit for casual gatherings and formal dinners alike.

Duma Diamond Tablecloth

Duma Diamond is Schumacher's painterly take on the classic harlequin pattern. Crafted from linen and finished with a simple hem, these pieces are the perfect pick for fashioning a tablescape that is equal parts classic and modern.

Rubia Tablecloth

Taking inspiration from an elegant Schumacher embroidery, Rubia has an etched quality that references the running stitch of the original fabric. With a clean hem, the blossom motif pairs beautifully with more eclectic patterns as well as solid table styles.

Citrus Garden Tablecloth

Infused with color and wit, Schumacher's Citrus Garden—which is based on an archival pattern hand-drawn by the iconic Josef Frank—is instantly recognizable. Here we've printed it on our crisp linen for a tabletop look filled with inimitable whimsy and charm.
