Age shall not weary them, nor the years condemn. At the going down of the sun and in the morning, we shall remember them.

Volunteering at Branch 264

Most of the programs and services we offer at Branch 264 are coordinated and run by volunteers so we are always actively recruiting

Volunteers

We have an incredible new facility to share with our membership, long time and brand new and in 2018, we are hoping to bring back a number of events and services that we have lost over the past few years. That requires a lot more volunteers to help us reach our goals. We are looking for volunteers in the following areas:

Front Door Person – Friday & Saturday Night Dances

We are hoping to build a committee of volunteers that would be willing to commit to a Friday or Saturday evening, 6-10 pm once a month, to staff the door to collect the cover charge that covers the cost of our entertainment.

Special Event Committee – ongoing

Who doesn't like to plan a party!?! As part of this committee, you will help plan and execute all of the fun events we host here at Branch 264 such as Robbie Burns Day, St. Patrick's Day, Stampede Pancake Breakfast to name a few.

IT Support Person – on going, as needed

Moving the Branch into the technical age has come with some IT challenges and we need assistance from time to time with resolving IT issues as they arise. If you have that particular skill set, we would love to talk to you!

Social Media & Website Management – as needed

With our brand new website on the horizon, we would like to have someone who enjoys creating something special and has the skill set to maintain it. This would also involve maintaining our Social Media pages to keep all of our followers in the loop!

In House Photographer – ongoing

In this position you are our official Branch photographer that will be responsible for recording all of the special events that happen in and around the branch. Your pictures will be used for: Website posting, Social media and the Legion Magazine.

Sports Committee - ongoing

Although we may have downsized from our previous facility, we are still able to host a number of sports groups, both on and off site. We would like to get some of these back up and running.

Building Maintenance - ongoing

Any handy men or women out there who would be willing to give us operational support for minor repairs around the facility? This would be as needed.

Guest Speakers – ongoing

We get several requests for Veterans of any age to speak at schools and other venues in our area. Most of these are during the week leading up to Remembrance Day. If you would be willing to assist with educating our youth and communities by sharing your experiences and the importance of Remembrance Day, we would be happy to hear from you.

Field of Crosses, The Poppy Campaign & Remembrance Day Services

Far and away the busiest 2 weeks of the year for any Legion Branch, these very special events require an enormous amount of volunteers to plan, coordinate and execute. We are very fortunate to have a great team that has been tireless in their efforts but we need more to help ease the load on everyone. The burden is light when it is shared by many!

Veteran Transportation – ongoing

Some of our less mobile Veterans occasionally require assistance with getting to the Branch or Doctor's appointments.

For more information or to register for one of these volunteer opportunities, please contact President Gary Hurst at the Branch, either in person, by phone @403-283-5264 or by email president264@shaw.ca.

We look forward to hearing from you.
