

# @REALDONALDTRUMP'S TOP TWEETING TIRADES

Donald Trump – President of the United States, supposedly self-made millionaire, business aficionado and above all, an enthusiastic Twitter user. Given his candour and celebrity before his presidency, Trump has a large presence following on social media. The 4th and current POTUS uses Twitter unabashedly to express his many opinions and thoughts regardless of how controversial they may be, which is what makes an analysis of his tweets so interesting. This visualisation aims to analyse 50 of his most retweeted tweets during the month of November, when the midterm elections take place, which will highlight his unique vernacular and controversial moments. Trump's tweets are littered with fallacies that ponder to his supporters and incite dismay from his critics. This visualisation aims to provide a break down on how his arguments break down.

**1** 11/2 Picture of himself with a caption "Sanctions are coming."

**9** 11/26 Mexico should move the flag waving Migrants, many of whom are stone cold criminals, back to their countries. Do it by plane, do it by bus, do it anyway you want, but they are NOT coming into the U.S.A. We will close the border permanently if need be. Congress, NOT fund the WALL!  
 45,743 174,067

**17** 11/13 .....MAKE FRANCE GREAT AGAIN!  
 41,996 156,435

**25** 11/23 Republicans and Democrats MUST come together, finally, with a major Border Security package, which will include funding for the Wall. After 40 years of talk, it is finally time for action. We are the Party of Peace and for all, NOW!  
 38,171 163,505

**33** 11/24 Migrants at the Southern Border will not be allowed into the United States until their claims are individually approved in court. We only will allow those who come into our Country legally. Other than that our very strong policy is Catch and Detain. No "Releasing" into the U.S..  
 34,516 145,447

**41** 11/5 So funny to see the CNN Fake Suppression Polls and false rhetoric. Watch for real results Tuesday. We are lucky CNN's ratings are so low. Don't call for the Suppression Game. Go out & VOTE. Remember, we now have perhaps the greatest Economy (JOBS) in the history of our Country!  
 31,690 105,832

**49** 11/21 Oil prices getting lower. Great! Like a big Tax Cut for America and the World. Enjoy! \$54, was just \$82. Thank you to Saudi Arabia, but let's go lower!  
 30,541 115,991

**2** 11/23

**10** 11/9 As soon as Democrats sent their best Election stealing lawyer, Marc Elias, to Broward County they miraculously started finding Democrat votes. Don't worry, Florida - I am sending much better lawyers to expose the FRAUD!  
 43,765 135,702

**18** 11/9 You mean they are just now finding votes in Florida and Georgia – but the Election was on Tuesday? Let's blame the Russians and demand an immediate apology from President Putin!  
 41,976 151,578

**26** 11/19 ....We no longer pay Pakistan the \$Billions because they would take our money and do nothing for us, Bin Laden being a prime example, Afghanistan being another. They were just one of many countries that take from the United States without giving anything in return. That's ENDING!  
 38,138 149,081

**34** 11/12 The Florida Election should be called in favor of Rick Scott and Ron DeSantis in that large numbers of new ballots showed up out of nowhere, and many ballots are missing or forged. An honest vote count is no longer possible-ballots massively infected. Must go with Election Night!  
 34,304 120,657

**42** 11/10 Trying to STEAL two big elections in Florida! We are watching closely!  
 31,353 120,426

**50** 11/26 @60Minutes did a phony story about child separation when they know we had the exact same policy as the Obama Administration. In fact a picture of children in jails was used by other Fake Media to show how bad (cruel) we are, but it was in 2014 during 0 years. Obama separated...  
 29,902 103,712

**3** 11/19 The Fake News is showing old footage of people climbing over our Ocean Area Fence. This is what it really looks like - no climbers anymore under our Administration!

**11** 11/21 AMERICA FIRST!  
 43,192 183,945

**19** 11/4 It is outrageous what the Democrats are doing to our Country. Vote Republican now!

**27** 11/18 So funny to see little Adam Schiff (D-CA) talking about the fact that Acting Attorney General Matt Whitaker was not approved by the Senate, but not mentioning the fact that Bob Mueller (who is highly conflicted) was not approved by the Senate!  
 36,959 133,748

**35** 11/22 HAPPY THANKSGIVING TO ALL!  
 34,024 202,589

**43** 11/27 Very disappointed with General Motors and their CEO, Mary Barra, for closing plants in Ohio, Michigan and Maryland. Nothing being closed in Mexico & China. The U.S. saved General Motors, and this is the THANKS we get! We are now looking at cutting all @GM subsidies, including....  
 31,188 124,577

**EMOTIONAL APPEAL**  
Focus on strong emotions to distract from reason. Appeals to emotion are usually less overt, but they ignore the logical parts of an argument in favor of controlling the listener's emotions and invoking a sense of understanding/empathy.

**INACCURATE CAUSE AND EFFECT**  
Inaccurate cause and effect is somewhat similar to faulty deduction, but these arguments try to draw a clear link between an observation and an assumption when such a link isn't necessarily there, they make a similar logical leap from a fact to a conclusion.

**4** 11/9 Just out – in Arizona, SIGNATURES DON'T MATCH. Electoral corruption - Call for a new Election? We must protect our Democracy!  
 51,555 166,177

**12** 11/21

**20** 11/9 Law Enforcement is looking into another big corruption scandal having to do with Election Fraud in #Broward and Palm Beach. Florida voted for Rick Scott!  
 41,347 135,088

**28** 11/25 Clinton Foundation donations drop 42% - which shows that they illegally played the power game. They monetized their political influence through the Foundation. "During her tenure the State Department was put in the service of the Clinton Foundation." Andrew McCarthy  
 36,949 121,778

**36** 11/13 The story in the New York Times concerning North Korea developing missile bases is inaccurate. We fully know about the site being discussed, nothing new - and nothing happening out of the normal. Just more Fake News. I will be the first to let you know if things go bad!  
 33,880 125,210

**44** 11/25 Would be very SMART if Mexico would stop the Caravans long before they get to our Southern Border, or if originating countries would not let them form (it is a way they get certain people out of their country and dump in U.S. No longer). Dems created this problem. No crossings!  
 30,991 128,921

**FAULTY DEDUCTIONS**  
Faulty deduction mimics a logical argument, but makes an ultimately illogical conclusion. Some faulty deductions are hard to spot, but they undermine an argument just the same.

**ATTACKS**  
Attacks include ad hominem, in which the speaker attacks the other speaker rather than the counterargument. Unfortunately, this type of argument can be effective, but pointing out the attack will undermine its effectiveness.

**5** 11/7 Tremendous success tonight. Thank you to all!  
 50,100 252,821

**13** 11/28 Illegals can get up to \$3,874 a month under Federal Assistance program. Our social security checks are on average \$1200 a month. RT if you agree: If you weren't born in the United States, you should receive \$0 assistance.  
 43,001 81,643

**21** 11/9 President Macron of France has just suggested that Europe build its own military in order to protect itself from the U.S., China and Russia. Very insulting, but perhaps Europe should first pay its fair share of NATO, which the U.S. subsidizes greatly!  
 40,088 148,740

**29** 11/6 Law Enforcement has been strongly notified to watch closely for any ILLEGAL VOTING which may take place in Tuesday's Election (or Early Voting). Anyone caught will be subject to the Maximum Criminal Penalties allowed by law. Thank you!  
 36,905 130,386

**37** 11/9 Rick Scott was up by 50,000+ votes on Election Day, now they "found" many votes and he is only up 15,000 votes. "The Broward Effect." How come they never find Republican votes?  
 33,861 113,693

**45** 11/28 The Mueller Witch Hunt is a total disgrace. They are looking at supposedly stolen Crooked Hillary Clinton Emails (even though they don't want to look at the DNC Server), but have no interest in the Emails that Hillary DELETED AFTER getting a Congressional Subpoena!  
 30,923 110,672

**CONTENT MANIPULATION**  
Content manipulation is exactly what it sounds like: changing or omitting facts or in order to suit the goals of an argument. The classic example is a confirmation bias. The speaker ignores facts that do not support or that directly oppose his argument.

**MENTAL APPEAL**  
Mental appeals appear to make sense at first, but they're easily eliminated through logical counterargument. They persuade by creating a rhetoric that is widely understood and using that to bolster one's argument regardless of credibility or accuracy.

**6** 11/4 So Revealing! link to twitter account supporting him.  
 49,909 93,436

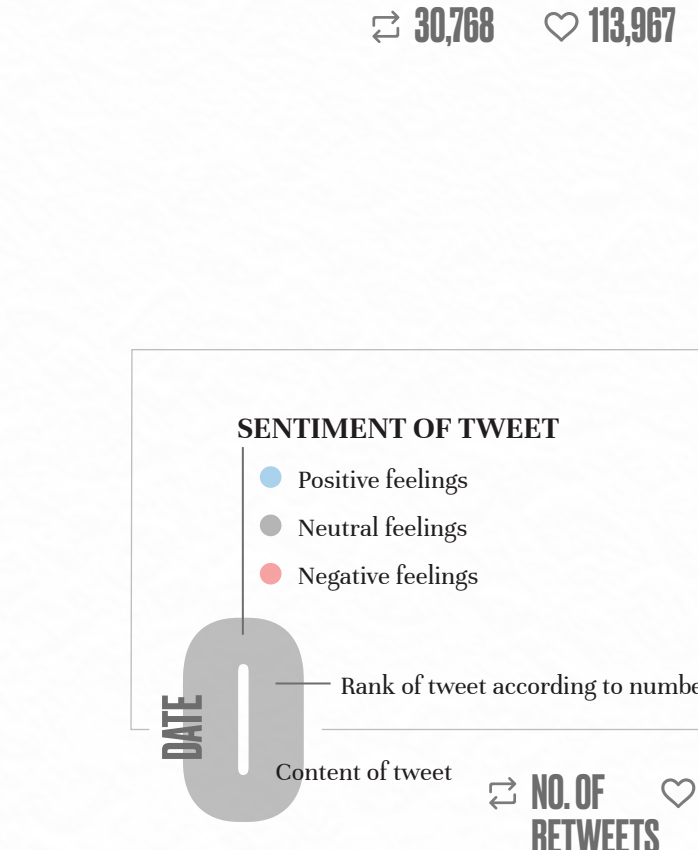

**14** 11/21 MAKE AMERICA GREAT AGAIN!  
 42,824 195,453

**22** 11/18 Catch and Release is an obsolete term. It is now Catch and Detain. Illegal Immigrants trying to come into the U.S.A., often proudly flying the flag of their nation as they ask for U.S. Asylum, will be detained or turned away. Dems must approve Border Security & Wall NOW!  
 38,929 150,142

**30** 11/5 The only "Collusion" is that of the Democrats with Russia and many others. Why didn't the FBI take the Server from the DNC? They still don't have it. Check out how biased Facebook, Google and Twitter are in favor of the Democrats. That's the real Collusion!  
 31,939 111,516

**38** 11/15 The Mayor of Tijuana, Mexico, just stated that "the City is ill-prepared to handle this many migrants, the backlog could last 6 months." Likewise, the U.S. is ill-prepared for this invasion, and will not stand for it. They are causing crime and big problems in Mexico. Go home!  
 31,931 113,672

**46** 11/15 Universities will someday study what highly conflicted (and NOT Senate approved) Bob Mueller and his gang of Democrat thugs have done to destroy people. Why is he protecting Crooked Hillary, Comey, McCabe, Lisa Page & her lover, Peter S, and all of his friends on the other side?  
 30,768 113,967

**7** 11/3 A vicious accuser of Justice Kavanaugh has just admitted that she was lying, her story was totally made up, or FAKE! Can you imagine if he didn't become a Justice of the Supreme Court because of her disgusting, false Statements. What about the others? Where are the Dems on this?  
 47,684 152,217

**15** 11/21

**23** 11/22 You just can't win with the Fake News Media. A big story today is that because I have pushed so hard and gotten Gasoline Prices so low, more people are driving and I have caused traffic jams throughout our Great Nation. Sorry everyone!  
 38,696 170,007

**31** 11/13 Emmanuel Macron suggests building its own army to protect Europe against the U.S., China and Russia. But it was Germany in World Wars One & Two - How did that work out for France? They were starting to learn German in Paris before the U.S. came along. Pay for NATO or not!  
 36,675 125,992

**39** 11/18 The Mayor of Tijuana, Mexico, just stated that "the City is ill-prepared to handle this many migrants, the backlog could last 6 months." Likewise, the U.S. is ill-prepared for this invasion, and will not stand for it. They are causing crime and big problems in Mexico. Go home!  
 31,931 113,672

**47** 11/13 By the way, when the helicopter couldn't fly to the first cemetery in France because of almost zero visibility, I suggested driving. Secret Service said NO, too far from airport & big Paris shutdown. Speech next day at American Cemetery in pouring rain! Little reported. Fake News!

**HIGHLIGHTING TRUMP'S VERNACULAR**

**Lorem** Use of quotation marks and random titlecase to denote importance.

**Lorem** Words/sentences with exclamation points.

**LOREM** Words/sentences in uppercase.

**LOREM** Words/sentences in uppercase and with exclamation points.

**8** 11/7 If the Democrats think they are going to waste Taxpayer Money investigating us at the House level, then we will likewise be forced to consider investigating them for all of the leaks of Classified Information, and much else, at the Senate level. Two can play that game!  
 45,877 177,997

**16** 11/19 Of course we should have captured Osama Bin Laden long before we did. I pointed him out in my book just BEFORE the attack on the World Trade Center. President Clinton famously missed his shot. We paid Pakistan Billions of Dollars & they never told us he was living there. Fools!..  
 42,601 173,978

**24** 11/24 ...All will stay in Mexico. If for any reason it becomes necessary we will CLOSE our Southern Border. There is no way that the United States will, after decades of abuse, put up with this costly and dangerous situation anymore!  
 38,243 166,446

**32** 11/9 Mayor Gillum conceded on Election Day and now Broward County has put him back into play. Bill Nelson conceded Election - now he's back in play!? This is an embarrassment to our Country and to Democracy!  
 35,925 128,851

**40** 11/30 Oh, I get it! I am a very good developer, happily living my life, when I see our Country going in the wrong direction (to put it mildly). Against all odds, I decide to run for President & continue to run my business. Very legal & very cool, talked about it on the campaign trail...  
 31,931 113,672

**48** 11/17 Isn't it ironic that large Caravans of people are marching to our border wanting U.S.A. asylum because they are fearful of being in their country - yet they are proudly waving...
