SCORE: 2 MILE TIME

GOAL: Don't go fast. Ha ha. This is meant to just get you running EASY for 2 miles straight. Keep the same pace throughout. A pace that is easy and SUPER sustainable. Going all out is NOT part of the program and will actually throw you off for the intended training stimulus.

TUESDAY

MODERATE INTENSITY

STREET PARKING WORKOUT

TODAY YOU SHOULD HIT AN SP WORKOUT AT 80% OR NOT TRACK YOUR SCORE.

GOOD OPTIONS ARE WORKOUTS THAT DON'T HAVE SCHEDULED REST. (AKA NOT SPRINT TYPE INTERVALS)

SOMETHING LIKE A 12-20 MIN AMRAP WITH BODYWEIGHT OR MODERATE LOADING WOULD BE A GREAT OPTION.

OR AN EMOM WITHOUT PUSHING LOADING OR REPS.

Total: 2800 M

When it says to go FASTER for each one - that means the speed of your actual PACE (how quickly you are moving) get's faster. Not just the time of each distance. So push the PACE faster on each one.

SCORE: Total Time
(including rest)

Goal: As always - it's not about your score - it's about holding proper pace. Work to have Round 2 paces match Round 1 paces.
