

# Missions Update

## David & Silvia Hock, BMW, Uruguay

Our Dear family,

Today we welcome in the first day of fall! We have started up once again with our various ministries here in San Jacinto after the summer months. We thank God that Nico was born in the middle of summer so that we could focus on adapting as a family with the extra free time God gave. God has been so patient with us as we learn how to be parents: How to be gentle, how to be patient, how to sacrifice, teach, learn, understand. Our son is totally dependent on us to fulfill his needs. Pray that as imperfect parents, we would learn what is best for our child.

### PRAISE:

- Nico is now almost two months old! He is growing quickly and in good health.
- We have started up once again our adolescent meeting, the kid's class in the park, and the ping-pong club here in San Jacinto. Would you please pray that
  1. We would be faithful;
  2. That we would see fruit.

· Every Friday, Tim and I teach at a men's rehab center. The center averages 15 men. The goal is for them to stay there one year, but many leave before they graduate. These men hear the Gospel every week as we teach.

· Sil was able to attend and help with the women's retreat with several of the churches here in Uruguay.

### PRAYER:

- Continue to pray for our family! God continues to teach us lessons every day.
- Men's rehab center: Would you please pray for the right words as we share with them from the Gospel of John. Please pray for their salvation.
- As we continue to see how and what we should do as we live here in San Jacinto, pray that the Lord would open up doors for spiritual fruit.

Thank you so much for your support through prayer as well as through finances. We cannot do this without you.

Running in faith,  
David & Sil, and Nico

## Prayer Requests & Praise

\*Please pray for **Jen Moss** as she was taken to the ICU. After a wellness check, she was found to have been immobilized and alone for several days. May the Lord provide strength for her, also wisdom for doctors to give the right kind of treatment.

\*Our brother **Pete Komzik** is with his Savior and Lord Jesus Christ after going through a lot of bodily pain and suffering for a long time. Please pray for God’s comfort for Trish and the whole Komzik family.

\*Please pray for **Dominic Garlick** as he is recovering from an appendectomy surgery. Also pray for Yana and the kids as they are also having some general sickness.

\*Pray for the Lord’s wisdom and guidance as we continue to look for an **Associate Pastor** for our Church. May the Lord bring the right person for the ministries of the church.

### Book Recommendation

*When Helping Hurts* - Steve Corbett, Brian Fikkert  
**Poverty** is much more than simply a lack of material resources, and it takes much more than donations and handouts to solve it. “When Helping Hurts” shows how some alleviation efforts, failing to consider the complexities of poverty, have actually (and unintentionally) done more harm than good. But it looks ahead. It encourages us to see the dignity in everyone, to empower the materially poor, and to know that we are all uniquely needy—and that God in the gospel is reconciling all things to himself. **(288 pages)**
