

Gallica Cabernet Sauvignon 2012

Posted on 09 June 2016.

From the Oakville AVA, 240 to 430 metres above sea level. Importer: Mondo

Seductive and sultry as Napa Cabernet can be. Rich raspberry and cherry pie with nutmeg and cinnamon spiced crust, violets and chocolate, toast and sweet herbs. Full bodied, supple mouth-coating fine grained tannin, ripe berry and chocolate, even acidity, and a flood of flavour on a long rich finish suffused with minerally tannin and coffee cream. Yes.
