

HUSK DISTILLERS CELLAR DOOR MENU

*Welcome to Husk Farm Distillery, the home of Ink Gin
and the birthplace of Australian Agricole Rum.*

*In 2012 we started out in a small shed on our family
farm with a crazy dream of creating sipping quality
spirits that reflect our provenance, and challenge
people's perceptions of what rum and gin can be.*

*With our paddock-to-bottle approach, all our spirits
are made by the Husk team on this farm. We grow,
harvest and crush our own sugar cane to make our
rums, source botanicals inspired by our rainforest and
return all organic waste back to the property in the form
of feed for our cattle or compost for our rainforest.*

*In these pages you will discover new ways of drinking
and appreciating our spirits founded on our core values of
quality, integrity and provenance. We hope you enjoy.*
