USAID Dumisha Afya project is a five-year USAID funded service delivery project, under the auspices of Moi Teaching and Referral Hospital (MTRH), whose aim is to provide sustainable efforts in access to health care by increasing the use of county-led health and social services in Bungoma and Busia counties through support from the American people. This is a service delivery project at the county level, providing HIV prevention, Care and Treatment services. The project is expected to support the Government of Kenya (GoK) in attaining its goal of addressing HIV/AIDS, safeguarding the rights and welfare of children and adolescents impacted by HIV/AIDS, and ensuring equitable access to and use of quality primary health care services by the most vulnerable. Applications are invited for the following vacant position in the USAID Dumisha Afya Program.

USAID Dumisha Afya invites applications from suitably qualified candidates for the following vacant position which will be based at the Project Headquarters in Bungoma County.
