JOB ADVERTISEMENT

USAID Dumisha Afya project is a five-year USAID-funded service delivery project, under the auspices of Moi Teaching and Referral Hospital (MTHR), whose aim is to provide sustainable efforts in access to health care by increasing the use of county-led health and social services in Bungoma and Busia counties through support from the American people. This is a service delivery project at the county level, providing HIV prevention, Care and Treatment services. The project is expected to support the Government of Kenya (GoK) in attaining its goal of addressing HIV/AIDS, safeguarding the rights and welfare of children and adolescents impacted by HIV/AIDS, and ensuring equitable access to and use of quality primary health care services by the most vulnerable.

Applications are invited for the following vacant position in the USAID Dumisha Afya Program

POSITION: HEALTH FINANCING OFFICER – 1 POSITION

SITE: BUNGOMA COUNTY

JOB GROUP: RS 11

Duties & Responsibilities

Reporting to the Chief of Party, the incumbent will among others be responsible for the following:

➢ Provide technical support to county health departments in sector planning and budgeting and ensure prioritization of strategic disease programmes including HIV in county resource allocation.
➢ Foster consultative discussions between the department of health and key county structures such as county assembly, county treasury and governorship on prioritizing health interventions during resource sharing.
➢ Represent the project on county level and intergovernmental policy forums and provide technical advisory on policy design and implementation pitfalls & successes.
➢ Support the focus counties to design and implement health financing strategic frameworks aligned to the national health policy framework and UHC goals.
➢ Provide technical assistance to county health department in designing and implementing public financial management laws and regulations.
➢ Support county health department to design and implement strategies to increase health sector revenues.
➢ Build strong partnerships with the government and other key stakeholder to ensure the project is in line with government priorities and the successful implementation of the project.
➢ Collaborate with the project M&E lead to develop metrics for monitoring and measurement of health financing interventions against benchmarks and support the learning agenda.

Qualifications & Experience

➢ University degree in Economics, Public Health, Health Systems Management, or related discipline.
➢ At least five years of experience in implementing health financing interventions in donor-funded projects in a devolved setting.
➢ In depth knowledge of Kenya’s public financial management processes and the PFM legal frameworks.
➢ Vast knowledge of Kenya’s health system in the devolved setting and good understanding of health policy environment.
