GLOBAL ICONS I - ONLINE AUCTION - 17 MARCH 2018

/A ALYES^{HK} AUCTIONS

Alyes Auctions, based in Hong-Kong, is offering at auctions a dynamic range of collectible works — Post-War and Contemporary Art, Prints and Multiples, Street Art, Collectibles, and more.

With a clear international focus, we target especially the constantly growing Asian market. Indeed, with our two offices established in Hong-Kong and Shanghai and our partnerships with many local auction broadcasters we help Asian collectors to purchase quality Post War and Contemporary artworks. In addition, we push forward many established Asian artists such as Murakami, Kusama or Zao Wou-Ki who both got an international aura, along with a tight selection of more emerging local artists in which we believe.

Our goal is to make access to auctions easier, cheaper and faster for buyers and sellers. Indeed, our average sales fees are lower than most traditional auction houses, we offer a fast delivery service and our online auction system make access and sale of artworks very convenient.

Sing the praises of our "Songun" motherland!

The "Songun" policy – which simply means putting the military first - began in the 60's, when Kim Il Sung and his son Kim Jong Il visited the "Liu Jing 105th tank division". The day was later designated as the starting date of Songun leadership. In 1995 Kim Jong Il formally proposed to establish Songun into the National Programme by 2003.
