

# ROMANS PROJECT

January 2020

Equipping pastors to abide in and feed their congregations from God's Word.

**Chad:** December was a very active and encouraging month for Romans Project facilitator Dol-diguim Boungar. He speaks of a revival going on in Chad this past December as "many churches went out to evangelize their lands". He witnessed a thirst for God's word wherever he traveled and saw the Lord raise several pastors who had completed the RP challenge and had recruited others to take it up. In early December, he received notebooks from 2 pastors living in 2 different villages who had completed the challenge quickly, keeping at it diligently. In mid-December, while visiting a pastor who had recruited 15 pastors from his village to do the challenge, he

met 2 pastors who were passing through and were headed towards their village. He told them about Romans Project and they asked him when he would be able to bring RP to their village. He said to them, "God has a plan. That is why I found the two of you today. Go ahead and read 20 times the book of Romans and write all of it down." A few days later, he connected with a pastor in NDjamena who shepherds 53 other pastors in the region. This overseer was eager to partner with Boungar and prayed for the Romans Project with him. They will meet again this month. Boungar left Ndjamena full of joy. The day after Christmas, he was invited to join a pastor's conference taking place over 100 miles from where he lives. He got on his motorcycle and made it to the conference, where he was given the opportunity to present the Romans Project before 51 pastors who were already gathered. He charged the principal of the local theological school to follow up with these 51 pastors, and the principal was more than eager to oblige.

Boungar going to the conference to recruit more pastors.

Boungar

**Please pray** for all these recruited pastors to be diligent in the reading and transcription of Romans. Pray they will have a deeper understanding of the gospel as they do so, and that they will grow in their Christian walk and testimony. **Please pray** for Chad and the revival taking place there, that the truth of the gospel will be received and that many hearts will be changed forever.
