Concord's Art on Main

A place of art and artisans: From local jewelry and craft shops, to galleries and the League of NH Craftsmen. Art is part of the city's heritage. Historic statues surround the New Hampshire State House and dozens of paintings adorn its halls. Creativity flows through Downtown. Murals and community art projects are springing up around the city.

Now the City of Concord and the Greater Concord Chamber of Commerce have created Concord's Art on Main program – an annual, year-round outdoor sculpture exposition that enlivens and enhances Main Street. Mixed with Concord's classical art, it creates an open-air gallery that is free to enjoy, and on view every day.

After a recent update of its historic Main Street, the state capital has emerged as the Granite State's cultural center. A host of new eateries, cultural venues and locally-owned shops have opened.

Downtown boasts:

- | | |
|---------------------------------|--|
| public art | independent book store with café |
| a boutique hotel | world-class music school performances |
| indie movie theatre | discoveries on your own! |
| performing arts center | |

Concord is a destination that *celebrates*
creativity, culture and food.
