**Tri County MAPP Process**

**Step 1: Organize for Success/Partnership Development**
- Organize Leaders
- Understand why MAPP is needed
- Outline Process
- Identify Resources

**Step 2: Visioning**
- Determine what you want the community to look like
- Ask “what would we like our community to look like in 10 years?”

**Step 3: Community Health Status Assessment (CHSA)**
- Gather and analyze information on priority community health, quality of life issues and risk factors (data)

**Step 3: Community Themes and Strengths Assessment (CTSA)**
- Understanding the issues residents feel are important (surveys, focus groups, asset mapping)

**Step 3: Local Public Health System Assessment (LPHSA)**
- A comprehensive assessment that includes all the organizations and entities that contribute to the delivery of public health

**Step 3: Forces of Change (FOCA)**
- Legislation, technology, trends, etc. that affect how the community and public health system operates

**Step 4: Identify Strategic Issues**
- Use the findings from the four assessments to determine what the critical issues are
- Determine what specific issues need to be addressed to achieve the vision

**Step 5: Formulate Goals and Strategies**
- Develop goals and strategies for attaining the vision, addressing the strategic issues identified in the prior stage
- Strategies are the direction (or means) of obtaining our goals

**Step 6: Action Cycle**
- Plan to:
  - Act
  - Implement
  - Evaluate

Complete Four MAPP Assessments List the challenges and opportunities from each of the four assessments:

- How healthy are our residents?
- What does the health status of our community look like?
- What is important to our community?
- How is the quality of life perceived in our community?
- What are the activities, competencies, and capacities of our local public health system?
- How are the 10 Essential Services being provided in the community?
- What is occurring or might occur that affects the health of the community? What are the specific threats or opportunities generated by these occurrences?
