An Update from the Voting Information Project
What is the Voting Information Project?

• The Voting Information Project (VIP) works with state and local election offices to provide official information about where to vote and what’s on their ballots to voters via the internet.
How does VIP work with Election Officials?

VIP Staff coordinate with State or county election offices as an Counties produce election approaches.

States and Counties create exports of polling location & contest data, and upload them to VIP.

VIP Staff do quality assurance & formatting work.

State Election offices review the data to ensure accuracy.

VIP Data is published!

Get Informed! Los Angeles Voter Guide 2017

Los Angeles City Municipal Election Mayor
The mayor is the leader of the city's government. They propose the city's budget, decide which legislation to approve (or veto), and appoint (or dismiss) department heads. The mayor of Los Angeles is typically elected for a four-year term, limited to serving no more than two terms. This year, however, the city is focusing on moving local elections to every numbered years to increase turnout, so the mayor elected in 2017 will serve 3 1/2 years. That makes this year especially important!

Candidates:
David Hernandez -
Diane "Pinkyy" Harman -
David "Zuma Dogo" Saltsburg -
Mitchell Jack Schwartz -
