What is WorkElections.com

• A web portal to simplify poll worker information for volunteers
• Collects and centralizes poll worker requirements and applications
• Addresses the struggle of recruiting enough volunteers with the needed technological and language skills
Pilot: 9 states complete

- Arizona
- California
- Florida
- Nevada
- New Mexico
- North Carolina
- Ohio
- Tennessee
- Virginia

Work Elections Compiles Poll Worker Requirements and Applications

This nonpartisan project has collected poll worker information and applications for hundreds of counties and other jurisdictions, making it easy for local election officials and potential workers to connect.

This project is led by the following partners:

[Logos of Fair Elections Center and development SEED]
Building the Database

- Survey to local boards of elections and jurisdictions
- Goal: have as many local election officials populate the database with their information
- Ensures accuracy
Thank you for taking the time to fill out this survey for your jurisdiction's page on workelections.com. The following questions are about requirements for poll workers to serve in your jurisdiction. Please note that any information provided here will be immediately updated on our website for your jurisdiction's specific page.
Forsyth County, NC
