

SOLOMON INTEGRAL COLORS FOR READY MIX (COLORFLO, DRY PIGMENT, GRANULAR PIGMENT)

Color Cards

Most of these colors are available in dry, ColorFlo liquid and ColorFlo granular pigments. Contact your ready mix supplier to see in what form your preferred color is available. To see what is available in in each form of pigment, view the specific Dry or ColorFlo color cards. Disclaimer: This digital color card should be used as a general guide, not a definitive indicator of final color. Shades and hues can vary depending on screen settings. When planning a project, consult a physical color card for a better indication of potential color. Create a representative mockup before any project to better account for the effects of conditions, material, and techniques that may alter the final appearance or color.
