## Meals for Kids

While schools are closed, many are providing breakfast and lunch in a grab-and-go takeaway format.

- Meals are for all children ages 2-18, no verification, ID, or registration needed.
- Children must be present to receive the meals.
- Children do not have to attend a particular school to receive meals at that location.

## Food Banks

Unless community members have heard otherwise from their local pantries, distributions will remain open during regularly scheduled hours. Please call 2-1-1 for additional information.

Community members may also contact Feeding San Diego at (858) 452-3663 or the Jacobs and Cushman San Diego Food Bank at (858) 527-1419.

## WIC

All San Diego WIC agencies are currently operating remotely. The majority of appointments and assistance will be provided over the phone. Go to [sdhunger.org/covid19/#wic](https://sdhunger.org/covid19/#wic) for a list of contacts.

For questions about which WIC agency to access, please go to [sdwic.com](http://sdwic.com).

## CalFresh (SNAP)

CalFresh (SNAP) will continue to operate as normal and is accepting new applications and renewals. Benefits will be received by enrollees as normal.

Individuals are encouraged to apply online at [GetCalFresh.com](https://GetCalFresh.com), or over the phone by calling 2-1-1. You can also apply with a community-based organization. Find one at [sdhunger.org/calfresh-assistance](https://sdhunger.org/calfresh-assistance).

## Senior & Congregate Meals

PLEASE NOTE: Many sites have transitioned to takeaway meals. We encourage you to call your dining site at least one (1) day in advance to find out if takeaway meals are available, and to reserve one for yourself.

You may call 1-800-339-4661 for assistance.

More information is available at [www.sdhunger.org/covid19](http://www.sdhunger.org/covid19).

To support our work, please consider making a donation at [sdhunger.org/donate](http://sdhunger.org/donate).
Disclaimer: The Coronavirus disease 2019 (COVID-19) has created many challenges for our community, with one of the most significant being food-related concerns. Many of the food resources from around the county are listed in the pages to come. Resources and information are continually evolving during the current pandemic, and any provider using this list should verify that the contact is valid and operable before offering it to clients. You should also keep in mind that many organizations are following the CDC guidelines and State guidelines regarding working remotely; making it challenging to make contact.
How to get reimbursed for your groceries:

To ensure that you're reimbursed, please follow the instructions below while complying with the campaign activity guidelines provided above.

1. Purchase groceries using your SNAP (EBT) card and save the receipt!
2. Download Expensify on iOS or Android
3. Join the Expensify.org/Hunger policy by clicking here.
4. Make sure your Expensify account details are complete, including having your first and last name listed on your account
5. Use SmartScan in the app to take a picture of the receipt — this will confirm that it was paid for with a SNAP (EBT) card
6. Make sure that your SmartScanned expense contains the following details:
   - Merchant name = "Merchant name"
   - Total = Change to $50 if the EBT purchase amount is greater than $50
   - Category = Volunteer Reimbursement
   - Class = Expensify.org/hunger
   - Description = “Purchase with SNAP card”
   - Receipt image = Image of the receipt with a clearly legible total of SNAP benefits used.
   - Heads up: We will only be accepting receipts for goods purchased on or after March 1, 2020.
7. Submit your expense to volunteer@expensify.org
8. Set up a bank account in Expensify to receive the reimbursed funds
9. We will try to reimburse you as soon as we can, up to $50 per family, as soon as the next day.

Have further questions on how to submit your report and get reimbursed? Check out our community post for more information.

Please note that the reimbursement is limited to $50 per family. Reimbursements may be delayed or denied in the event you skip any of the steps above. Due to increasing demand, wait times to be approved and reimbursed may be much longer than expected. Additionally, by submitting an expense report on the Expensify.org/hunger policy, you are agreeing to the Expensify.org Terms of Reimbursement.

| **San Diego for Every Child Briefing** | • Priority need areas identified by school districts: food/nutrition, childcare, and equitable distance learning.  
• **Food: School Breakfast and Lunch sites**  
  • These are the confirmed food service sites in the South County region as of March 17, 2020. This list is subject to change. Please check the [San Diego County Office of Education website](https://www.sandiego.k12.ca.us/) for the most up-to-date list.  
  o **Chula Vista Elementary School District**  
    • As of March 18, when students pick up lunch, they will receive another bag for the next day's breakfast. Families will only need to make one trip to school to pick up lunch and breakfast for children ages 1 to 18. Parents are reminded that they can visit the nearest school to pick up meal bags and don't have to go to the school site their child attends. This service is currently at all schools and will continue until March 20. Lunch and Breakfast (for next day) will be handed out from 10am-12pm.  
  o **San Ysidro School District**  
    • Grab and go distribution of breakfast from 8 to 9:30 a.m. and lunch from 11 a.m. to 12:30 p.m.

- **Food: Food banks and their agencies**
  - Both food banks, the San Diego Food Bank and Feeding San Diego, are operating as usual.
  - Calling 211, clients can provide their address and be directed to the closest food distribution in their area.
  - The San Diego Food Bank website will direct to their distribution sites as contained on the 211 website ([https://my211.force.com/s/service-directory?code=BD](https://my211.force.com/s/service-directory?code=BD)).
  - The San Diego Food Bank is in need of volunteers.
  - Feeding San Diego distributions can be found on the ‘Need Help’ tab ([https://feedingsandiego.org/need-help/food-distributions](https://feedingsandiego.org/need-help/food-distributions)).
  - Non-regular volunteer shifts have been cancelled.

- **Food: CalFresh (SNAP)**
  - The CalFresh program and local CalFresh application assistance continue to operate as normal. Benefits will be received by enrollees as normal. Feeding San Diego continues to offer application assistance, however, all appointments will be conducted via telephone or Zoom conference. Feeding San Diego will not host any in-person visits or workshops.

- **Food: San Diego Hunger Coalition**
  - Is putting together a COVID-19 food assistance-specific webpage, where you can get updated information on food distribution sites, CalFresh updates, CalWORKS updates, and WIC. They will also have opportunities for advocacy regarding emergency food funds from the State and Federal levels.

- **Childcare**
  - YMCA Childcare Resource Service is doing enhanced referrals – health care workers call (619) 952-0242, and for all other general inquiries - (800) 481-2151 and myreferral@ymca.org
- Staffed Monday through Friday, 8:00AM – 5:00PM. It will be answered unless another person is on the line. If they are sent to voicemail, encourage the caller to leave a message and they will be called right back. They can also contact the 800 number.
  - Other updates from childcare providers:
    - The childcare situation is dynamic over the next two days because the field is awaiting new guidance from San Diego Public Health, State licensing, the Department of Education, and the Governor. There are multiple governing entities that are working actively on how to respond to the increased need for childcare, particularly for healthcare and healthcare adjacent workers.
    - It will take a couple of days for the childcare field to respond to this new guidance, but we will be at the forefront of that and you can reach out to me directly at erin@sandiegoforeverychild.org, with questions.

- Other: Women, Infants, & Children (WIC)
  - San Diego WIC offices continue to serve families with benefits. The WIC program currently has direction from the California Department of Public Health to make temporary policy exemptions and modifications on a case-by-case basis to ensure that families continue to receive their WIC benefits. Anyone looking to sign up for WIC should visit www.sdwic.com to find a WIC office near them.

- Other: Workforce supports
  - There is relief for people who have been laid off or experienced reduced work hours. Unemployment insurance is being expedited, disability benefits are being offered for illness which extends over a long periods of time, and paid family leave is now available if you are caring for an ill or quarantined family member. For more information on this, you can visit www.workforce.org/covid-19.

- Other: Serving those experiencing homelessness
  - Regional Taskforce on the Homeless is staying open, considering telecommuting for their staff, and are focusing on a systems-level approach to safely and effectively serving those experiencing homelessness. Their website has a comprehensive list of exemplary practices for addressing the COVID-19 crisis if you are serving people experiencing homelessness.

- Funding
  - San Diego COVID-19 Community Response Fund: Three critical areas: food security, rental and utility assistance, and income replacement or gap funding.
  - Jewish Community Foundation:
    - (1) A fund to support the public health response to assist with the acute need for increased testing, tracking, treatment and communication around the pandemic (2) A
| fund to support local organizations serving highly vulnerable populations who will be particularly affected by COVID-19 disruptions (3) A fund to support local Jewish community needs.  
| o *San Diego Grantmakers* is working with and across the philanthropic community to help with this effort and will have more details soon.  
| **Parent supports while social distancing**  
| o The *Parent Institute for Quality Education* (PIQE) is connecting with families virtually to provide supports to families that may be experiencing social isolation. PIQE is paying particular attention and doing what they can to help with the accessibility of materials in terms of language barriers.
| Additional Coordination  
| • For those of us working for or with State and Federal election officials: It will be important that non-profits are included in any economic stimulus packages moving forward. They were not part of the last Congressional package, and that Federal funding will be critical as this crisis unfolds and non-profit partners play an increased role in the response.  
| • Chula Vista Elementary School District – important to work with other organizations to help get the word out regarding resources.
| Round-Robin  
| • **South Bay Community Services**  
| o Their shelters for those experiencing homelessness, domestic violence, and foster youth are open and stocked with 2 weeks of supplies. They are working with some hotels/motels in the South County and are ready to expand if needed.  
| o They have moved to a drive-through food distribution format, and are continuing food distributions.  
| o As part of their rapid-rehousing, they are working with landlords in anticipation that participating families may be unable to pay their portion of rent. The City of Chula Vista has agreed to help make up the difference.  
| o Their all-day preschool sites are still currently operating, but with far lower enrollment (16 kids across two sites with capacity for 120). Are looking into opening sites to first-responders and emergency response staff.  
| o Are cross-training staff in the case that any of their staff get sick or are needed in different areas of work.  
| o Are continuing supervised visitation and child welfare home visits.  
| o All other services are being offered remotely:  
| ▪ School-day mental health services through telecommunication, group meetings through Go To Meeting.  
| ▪ Their Juvenile Achievement Center participants are using Skype.
- **Child Development Associates**
  - Administratively their offices are open and operating remotely, are offering all services for parents and providers.
  - 3 Centers in the South Bay were open at the time of the meeting but that may change soon.
  - No anticipated delays to the Alternative Payment Subsidized Childcare payment system at this time. CDA has resources enough to make authorized payments to subsidized payments.
  - CDA has requested that the California Department of Education continues to make payments through closures even though care has not occurred. (AB and AB117 – on way to Governor from signature).
  - CDA plans to continue nutrition program payments through the month of March, and they have asked for an emergency waiver of USDA meal requirements. Nutrition program – 1,200 providers that receive
  - CDA has requested that the State create a new emergency voucher program that will address school closures, to provide funds for families that need full-time care, that could be used with any licensed center, licensed family childcare facility, or any licensed-exempt family, friend, or neighbor.

- **Chula Vista Elementary School District**
  - Meal service is on-going through this week (details above). Regularly scheduled 2-week Spring Break begins on March 23 and meals will not currently be offered during that time.
  - Currently scheduled to return to classes on April 6.
  - Teachers are currently holding remote parent-teacher conferences, either online or over the phone.
  - The District Office is currently open and teachers are supporting remote learning, but student work is not required.

- **EastLake Educational Foundation**
  - They are considering volunteer opportunities and resources for distance learning.
PLEASE NOTE: Congregate Dining Sites are temporarily closed. Please contact the Congregate Dining Provider for alternate service delivery options, or call the AIS Call Center at 800-339-4661 for further assistance.

For more information about nutrition services supported by the County of San Diego, please contact us via email or call: 800-339-4661.

One of the most important elements of good health is nutrition. To improve nutritional health of seniors in our region, Aging & Independence Services provides meals at various seniors dining centers, as well as home-delivered meals to eligible senior individuals in their homes. Through funding from the Older Americans Act, nutritious meals are available for a suggested donation to seniors age 60 and above. When meals are available, no senior shall be turned away for inability to donate.

The County’s Aging & Independence Services department contracts with community partners to provide hot lunches and sometimes breakfast at Senior Dining Centers during the week, for eligible adults. In addition to promoting better nutrition, Senior Dining Centers provide a social environment for participants to learn about additional services that may be available. Senior Dining Centers may offer other social activities such as exercise classes, special events and other classes that you can participate with friends or develop new friendships. Home-delivered meals are available to adults age 60 and older who are homebound due to illness or disability and need assistance with activities of daily living. Home-delivered meals are delivered Monday through Friday, and between five and seven meals are provided.
