Property Overview

WHAT ARE THE CIRQUE RESIDENCES x VICEROY SNOWMASS?

The Cirque x Viceroy is an impeccably designed collection of residences nestled slope-side in a new residential building within the full-service Viceroy Snowmass resort. Flanked by the vast playground of the Snowmass Ski Area and the new Snowmass Base Village, Cirque's location offers a private retreat with the community of Aspen Snowmass at your doorstep. Cirque marries the privacy of a residence, with the hassle-free amenities, services and convenience of a luxury hotel.

WHERE IS CIRQUE x VICEROY?

Cirque is located on the south side of the existing Viceroy Snowmass porte cochere, across Wood Road from the core of Snowmass Base Village. It is bounded by the Snowmass ski area to the east, Pinnacle to the north, Wood Road and the Base Village Core to the west, and the new Aura Residences building to the south.

HOW DO THE CIRQUE RESIDENCES RELATE TO THE EXISTING VICEROY SNOWMASS?

Cirque Residences will be the second of two buildings that make up the Viceroy Snowmass resort. The existing Pinnacle building was completed in 2009 and has undergone numerous upgrades and enhancements since then. Viceroy Snowmass is the most luxurious resort in Snowmass Village, offering top-notch services and amenities. It was named the #1 Resort Hotel in Colorado by Travel + Leisure World's Best Awards 2021 and has been recognized for 5 consecutive years by Conde Nast Traveler, including the #2 ranking in the 2022 Readers' Choice Awards for Top Resorts in the Mountain West.

HOW MANY RESIDENCES ARE AT THE VICEROY SNOWMASS?

The existing Pinnacle building contains approximately 150 deeded residences in a mix of studios, 1BR's, 2BR's, 3BR's, 4BR's, penthouses and various iterations of each of these. Some residences include a lock-off bedroom that have another room number assigned to them, so this results in approximately 170 rentable "keys". The Cirque building will contain an additional 48 deeded 2BR, 3BR, and larger penthouse residences. Some Cirque residences contain a lock-off suite, which results in 75 rentable "keys" within the Cirque building. Upon completion of Cirque the entire Viceroy Snowmass resort will be comprised of 198 deeded residences.

Ownership & Hotel Operations

WHO IS THE DEVELOPER OF CIRQUE?

Cirque is being developed by SV Building 13 Development, LLC (the “Developer”), which is wholly-owned by Snowmass Ventures, LLC. Snowmass Ventures (the “Joint Venture”) is the umbrella master development entity for all of Snowmass Base Village. The three owners of Snowmass Ventures are East West Partners, Aspen Skiing Company and KSL Capital Partners. All three groups are headquartered in Colorado, have worked together for many years, and have unparalleled ski industry and resort development experience. East West Partners manages the development of all Snowmass Ventures’ projects, including Cirque x Viceroy.

IS THE VICEROY SNOWMASS A HOTEL PROPERTY?

Neither Pinnacle or Cirque contains any traditional hotel rooms other than the deeded residences (and lock-off suites within) mentioned above. All residences may ultimately be owned by individuals but the property operates like a hotel and features many of the amenities you would find in a traditional hotel, including a lobby, restaurants, spa, fitness facility, ski valet, swimming pool and deck, meeting space and other supporting back of house spaces.

WHERE DOES THE VICEROY NAME COME FROM?

The Hotel Owner and its affiliates have entered into various license agreements (the “Viceroy License Agreements”) with Viceroy Hotels, LLC. Viceroy Hotels, LLC owns all of the trade names, trademarks, slogans, etc. associated with the Viceroy brand, and the Hotel Owner and its affiliates are authorized to use those trademarks subject to terms and conditions of the Viceroy License Agreements.

DID THE JOINT VENTURE DEVELOP THE EXISTING VICEROY BUILDING?

No. The existing building and parking garage were developed by an affiliate of the Related Companies (“Related”) with construction completing in 2009. Related is a prominent developer based in New York. The general contractor was PCL. The architect of record was OZ. The Joint Venture purchased approximately 65 unsold residences (64 of which have since been sold to individuals) and the Hotel Assets from Related in December of 2016, along with all of Related’s other assets in Base Village.

WHO OWNS THE BUILDINGS?

All of the 150 residences within the original Pinnacle building have already been sold to individuals, with the exception of one studio that is currently being utilized as a residential services office. The Hotel Owner owns the existing Pinnacle building’s restaurant, spa, meeting space, swimming pool, hot tubs, fitness center, storage areas, trash facilities, lobbies, elevators, hallways, garage and other spaces within the property (collectively the “Hotel Assets”). The POA owns the roof, walls, mechanical systems, decks, etc. as common elements. Please refer to the Declaration and Condominium Map for more detail. The same will be true of the Cirque Residences building, where the residences will be sold to individuals, but the Developer will initially own the shared spaces and amenities and the POA will own the common elements.

WHO OPERATES THE PROPERTY?

East West Hospitality (EWH) is currently the Hotel Manager. They operate the hotel under a hotel management agreement with the Hotel Owner. EWH also manages the POA. EWH is a sister company of East West Partners, and has more than 35 years of experience in hotel, property, and vacation rental management across the country. EWH runs Snowmass Mountain Lodging, and through that entity they currently operate most of the Base Village core, including the plazas, ice rink, The Collective and many individual rental residences. As part of their deep portfolio of assets under management, EWH has operated the Westin Riverfront Resort & Spa located at the entrance to the Beaver Creek Resort in Avon, Colorado since its inception in 2008. That property has a similar structure to Viceroy Snowmass. More details can be found on the EWH website at www.eastwest.com.

DO RESIDENCE OWNERS HAVE ACCESS TO THE HOTEL ASSETS?

A Hotel Amenities, Facilities and Garage License Agreement (the “Facilities License”) grants Residential Owners access to most of the Hotel Assets, subject to closure, remodel, etc. at the Hotel Owner’s discretion. Pursuant to the Facilities License, the POA is obligated to share in the cost of certain Hotel Assets with the Hotel Owner. As such, these Hotel Assets may be utilized by Residence Owners in a manner similar to common elements of the POA. The POA could vote to terminate the License Agreement with a 67% vote.

The Viceroy Brand

WHAT/WHO IS VICEROY?

Viceroy Hotels, LLC is a Los Angeles-based hotel brand and management company with a collection of branded resort and urban properties across the globe. Viceroy is commonly considered to be a luxury lifestyle brand whose properties are distinguished by inspiring design, personalized service, luxurious amenities, inventive food & beverage experiences, and relentless attention to detail.

WHERE ARE OTHER VICEROY HOTEL & RESORTS LOCATED?

Viceroy currently has other properties in the United States in Chicago, Los Angeles, and Washington, DC. Viceroy’s current international locations include Mexico, Saint Lucia and Serbia, with additional properties in design and development in Panama and Portugal. Visit <https://www.viceroyhotelsandresorts.com/> for more information.

WILL THE PROPERTY ALWAYS BE A VICEROY?

As mentioned above, the Hotel Owner and its affiliates have entered into the Viceroy License Agreements. As with all license agreements there is an expiration (in 2029) and various termination rights. As such, there is always the possibility of the Viceroy brand not being associated with the property in the future.

IS THE PROPERTY REQUIRED TO BE BRANDED?

There is no obligation or representation to maintain any brand or standard, but the current entitlements with the Town of Snowmass Village require the Viceroy Snowmass to be operated to AAA “Four Diamond” standards. This requirement applies to individual Residence Owners as well.

WHO HAS THE RIGHT TO USE THE VICEROY NAME AND MARKS?

The Viceroy License Agreements grant Hotel Owner, Developer and their affiliates various rights to use the Viceroy name and marks in association with selling residences, renting residences and running the Hotel operations at Pinnacle and Cirque. In exchange, Viceroy Hotels, LLC receives various license fees, including a brand license fee on the initial sale of Cirque Residences. The Developer will pay for this fee on this initial sale of all Cirque Residences. Subsequently, Residence Owners who wish to use the Viceroy trademarks, brand names, or brand when re-selling their residence will be required to pay a license fee to Viceroy Hotels, LLC (currently 0.5% of Gross Sales Proceeds). If a seller elects not to enter into a license agreement with Viceroy and pay the license fee, they are not able to use the licensed trademarks, brand names or brand, except that the name “Viceroy Snowmass” may be used as a location descriptor only. The Viceroy brand can be used by the Hotel Manager to rent residences that are under a RMA. Owners who chose not to enter into a RMA with the Hotel Manager may not use the Viceroy name or marks to market their residence for rental.

WHAT ARE FIXED FINISHES FOR THE RESIDENCES?

Cirque's fixed finish package was artfully designed by TRH Interiors. The modern-mountain fixed finish package provides a sophisticated warmth and a soft, clean palette. It's important to all who live and play in Snowmass that our developments do their best to protect and preserve our winters and clean mountain air.

Cirque will join the collection of other LEED certified buildings in Snowmass Base Village, which, as a whole, is a LEED certified neighborhood. Cirque is pursuing a LEED Gold certification.

WHAT ARE THE TYPICAL OPERATING DATES FOR THE ASSAY HILL SKI LIFT AND SKI BACK TRAIL TO THE VICEROY?

This is entirely dependent upon snow conditions and management of the Snowmass Ski Resort. No assurances can be provided in this regard, but historically the Assay Hill lift and run as well as the village ski way that connects from Fanny Hill to Assay Hill have followed the opening of the overall ski resort by a few weeks to a month, and have closed around the same time as the overall mountain closing.

The parking privilege of a single vehicle while in residence is included in the POA dues. Daily charges may apply for any additional Residence Owner or guest vehicles, if such additional vehicles are able to be accommodated, at the Hotel Manager's sole discretion.

CAN RESIDENCE OWNERS SELF-PARK?

No, valet is required.

IS THERE AN EXTRA CHARGE FOR THE VALET SERVICE?

Not for Residence Owners, their Accompanied Guests or Unaccompanied Guests but, any gratuity paid is an out-of-pocket expense. Viceroy Rental Guests and Independent Rental Guests are all subject to a nightly parking fee. Current parking fee rates are \$55.00 per night. Changes to parking fee rates and the ability to waive them on a case-by-case basis are at the sole discretion of the Hotel Manager.

DOES THE GARAGE EVER FILL UP?

Occasionally the garage fills or approaches capacity – generally associated with large events, but garage capacity has not been a regular issue. Per the Facilities License, if the garage is more than ninety percent (90%) occupied, parking priority shall be granted to Residence Owners.

IS THERE SHORT-TERM PARKING?

There are a limited number of short-term surface parking stalls in the entry auto court. The use of these stalls will be administered by the Hotel Manager through the valet staff, including utilization of these stalls for resort transportation vehicles.

WILL THERE BE CHARGING STATIONS AVAILABLE TO CHARGE MY ELECTRIC VEHICLE?

The Viceroy driveway currently features one electric car charging station. The Hotel Owner is exploring additional charging stations on the driveway and/or in the garage.

CAN PARKING POLICIES CHANGE?

Certain elements of parking policies at Viceroy Snowmass are dictated by the PUD and a Parking Management Plan that has been approved by the Town of Snowmass Village. Changing this plan requires Town approval. Other elements are dictated by the Facilities License and the POA Declaration. Additionally, the POA board will have the ability modify certain elements of how the garage is operated through changes to the POA's Rules & Regulations. We recommend fully reviewing the Parking Management Plan, the Facilities License, the POA Declaration, and POA Rules & Regulations.

WHERE WILL CHECK-IN AND DROP OFF OCCUR?

All loading and unloading occurs in the main porte cochère in front of Pinnacle. All Residence Owners and guests will check in at the Pinnacle front desk. Upon check-in, if desired, the hotel staff will accompany Residence Owners and guests to the Cirque Residences to complete the arrival experience. Access from Pinnacle to Cirque, is available by walking on a sidewalk to the front door or by utilizing an interior connecting corridor at the pool level. Front desk staff and service is subject to seasonality and hours of operation.

Construction

WHEN WILL CONSTRUCTION BEGIN AND HOW LONG WILL CONSTRUCTION TAKE?

Cirque commenced construction in late November, 2022 with an estimated 22-month construction duration. This puts the estimated substantial completion in late fall 2024. Additional time may be required to install furniture and housewares. Regular updates will be communicated throughout construction to keep purchasers up to speed on progress.

HOW OFTEN WILL I BE ABLE TO SEE MY RESIDENCE AND THE BUILDING DURING CONSTRUCTION?

Each Cirque Owner will have the opportunity to conduct a final punch list walk-through prior to Closing. However, due to safety protocol and construction sequencing there will be limited or no access to the building during most of the construction process. Please discuss any desired walk throughs with our Owner Liaison and the Sales Agents.

WHAT IS THE PROCESS IF I FIND SOMETHING WRONG IN MY RESIDENCE BEFORE CLOSING?

You will be invited to inspect your residence upon construction completion and prior to closing in a pre-closing walk-through. We will be in close communication as construction progresses so you know what to expect during your walk through and when it will occur. It is anticipated that your individual residence interior will be complete and all fixtures and equipment will be installed prior to closing, with the exception of minor or long-lead items that the contractor will have identified in their pre-punch process. Testing and balancing of mechanical equipment may not yet be complete and some furnishings and housewares may not be installed at the time of closing.

You may bring in a licensed inspector for this process, if desired, in order to ensure that you feel entirely comfortable with your new residence. During this walk-through, representatives from East West Partners and the project's general contractor (Haselden Construction) will accompany you through your residence. If any mutually-agreed-upon incomplete items are discovered in your residence those items will be documented on a punch list to be addressed by Haselden. Any items that we agree are to be fixed will be completed as soon as possible, ideally prior to your closing. However, please understand that it is possible that we won't be able to complete some items if we can't get a part in time or if there are delays from a service company. No escrow will be held back at closing for incomplete punch list items.

WHAT IS THE PROCESS IF I FIND SOMETHING WRONG IN MY RESIDENCE AFTER CLOSING?

The Seller will provide homeowner manuals and an orientation that includes helpful hints about how to use things properly in your residence to ensure the long life of building systems and appliances. Any regular maintenance items in your residence should be communicated to the Hotel Manager if you are on a PMA or RMA or to your property manager if you are on an ASA. Sometimes even the highest-quality products and appliances can have issues. Seller provides Cirque Owners with a one-year warranty that begins at closing. For any warranty-covered issues, you will notify and coordinate with the Seller's Owner Liaison. If you find significant issues in the common areas that need attention these should be reported to the Hotel Manager, who can then reach out to the developer if the issue is not just maintenance.

Additionally, Land Title will coordinate the closing process among the buyer, the buyer's broker, and a lender (if appropriate). The Developer/Seller has an Owner Liaison who will assist with construction updates, inspections, managing punch list repairs, etc.

Property Owner's Association

IS THERE A PROPERTY OWNERS' ASSOCIATION OF THE BUILDING?

Yes, the Assay Hill Lodge Condominium Association is the association (the "Property Owners Association" or "POA") for all ownership interests in the property, including residential and commercial. Pinnacle Owners and Cirque Owners all belong to the same common POA. The purpose of the POA is to manage and maintain the common elements, provide certain facilities and services to Residence Owners and guests, administer and enforce the covenants and restrictions, levy and collect assessments, establish and enforce rules and regulations, manage the condominium, and protect the interests of the Residence Owners and guests. Membership in the POA is automatic for Cirque Owners.

HOW DO I GET MORE ACQUAINTED WITH THE POA?

It is highly recommended that prospective purchasers fully review the POA information posted on the POA website: www.assayhillhoa.com. Username: guest; Password: guest. This includes the articles, bylaws, declaration, budget, meeting minutes, reserve studies, and other documents. After closing, you will begin to receive communications to keep you informed of upcoming meetings, elections and other important POA events and information.

WHO MANAGES THE POA?

East West Hospitality (EWH) manages the POA under a management agreement with the Hotel Owner. East West Hospitality manages and operates a large number of homeowner's associations from Hawaii to South Carolina.

WHAT DO THE POA DUES INCLUDE?

The POA dues cover General Common expenses and Limited Common expenses. This includes maintenance, repair and reserve funding of all common elements such as the building's structural systems, foundation, exterior, roof, mechanical systems, balconies, stairwells and elevators. Dues also cover building and common areas insurance, standard utilities (water, sewer, gas, electricity, trash and cable) except wireless internet and phone (which are provided under the PMA, RMA and ASA). The POA dues also cover the POA's share of costs associated with the pool, fitness center garage, lobbies, corridors and other spaces and services covered under the Facilities License. Each individual Residence Owner controls and is responsible for what transpires inside the "box" that comprises their respective residential unit.

WHY ARE THERE DUES ASSOCIATED WITH THE FACILITIES LICENSE?

The Facilities License was created in 2012 for the benefit of all Residence Owners to access, use and enjoy the amenities, facilities and the garage in exchange for sharing in their costs. Many spaces that would typically be "General Common Elements" (GCE) in the property have been setup as "Limited Common Elements" (LCE) appurtenant (connected) to the commercial units owned by the Hotel Owner. Under this legal structure, the Hotel Owner effectively owns and controls these spaces but, through the Facilities License, the Residence Owners are granted various use rights in exchange for sharing in their cost. The Facilities License does not expire unless the POA terminates this agreement by a vote of 67% of the total voting interests of the owners. The amenities and facilities associated with the Facilities License include the swimming pool and hot tubs, fitness center, designated storage areas, lobbies, elevators, hallways, trash rooms and the underground garage.

DOES THE POA CHARGE UTILITIES BASED UPON USE OR A FIXED ALLOCATION?

The POA charges utilities based upon a square footage allocation and does not track residence-by-residence utility use.

HOW MUCH ARE THE POA DUES?

Current estimates for Cirque dues indicate an average of approximately \$27.00 per condo map square foot annually, including operating expenses, reserve contributions, Master dues (see details below) –which will be billed through the POA. These dues are billed and to be paid quarterly. Please refer to the dues estimate for the specific residence you are interested in.

WILL MY POA DUES EVER INCREASE?

There are POA costs that fluctuate and generally increase over time with inflation, such as utilities for common areas and labor allocations. As a result, it is reasonable to expect a dues adjustment at least equal to inflation in a given year and inflation in the Aspen/Snowmass area frequently outpaces national rates. The board approves an annual POA budget, and the budget is ratified at the annual meeting of all owners and members unless 67% of the total voting interests vote against ratification.

WHICH TELEVISION, INTERNET, AND PHONE SERVICES WILL BE AVAILABLE?

Cable, internet and phone services will be provided by Xfinity to each residence. The hotel uses the Sonifi system to provide additional television services.

DOES THE POA PROVIDE MAIL SERVICE?

Your physical address will be 130 Wood Road #xxx, Snowmass Village, CO 81615. To receive US Postal Service mail, you will need to sign up for a PO Box at the Snowmass Village Post Office. FedEx and UPS deliver directly to the Viceroy. The Hotel Manager manages this FedEx and UPS package service for Residence Owners at no additional cost. Accompanied Guests, Unaccompanied Guests, Viceroy Rental Guests and Independent Rental Guest are charged a package fee (currently \$5 per package) in order to provide gratuity for the bellman for this service.

WHERE DO I DISPOSE OF TRASH?

There is a main trash facility located on the west side of the Pinnacle building. There will also be a trash and recycling room located on the P2 level at the east end of the Cirque building. Residence Owners may elect to take their trash to this room. Residence Owners on RMA or PMA (but not ASA) can request housekeeping to remove trash directly from their residence, as provided for under those agreements.

WILL CIRQUE BE PET FRIENDLY?

Subject to any rules and regulations adopted from time to time by the POA, Cirque will be pet friendly for both Residence Owners and Guests. There are no restrictions on breeds, but all pets must be safe, and their presence cannot create a nuisance to other building occupants. Of course, you must follow all POA rules and regulations regarding pets and be diligent about picking up after your pet. Please note that POA rules and regulations regarding pets are subject to change and there may be additional housekeeping charges assessed for pet cleaning.

CAN I HAVE A GRILL?

The Declaration prohibits residences from having gas or propane fueled grills, charcoal grills, and wood burning stoves. Additional restrictions from the fire department may also exist.

HOW ARE CAPITAL RESERVES FUNDED FOR THE POA?

The capital reserves for the POA are built up over time through the regular and ongoing allocation of dues to a capital reserve fund. Capital reserves are kept in separate interest-bearing accounts and are set aside for long-term capital improvement and maintenance projects. Annual reserve fund expenditures and funding amounts are determined by the POA board, guided by an independent reserve study that is updated periodically. The reserve study is a full evaluation of the building and building systems, their useful lives and their estimated replacement costs factoring in forecasted inflation.

DOES THE POA HAVE ADEQUATE RESERVES?

A reserve study was conducted in 2020 and the POA follows the recommendations of the Reserve Study. The latest Reserve Study is located on the POA Website.

ARE THERE ANY MAJOR RESERVE FUND EXPENDITURES PLANNED THAT THE POA MUST FUND?

In most years the POA Budget includes capital reserve expenditures of various amounts. Purchasers interested in this should review a copy of the most recent capital expenditure budget and the long-term reserve study for the POA, which are located on the POA website.

ARE THERE ANY SPECIAL ASSESSMENTS CURRENTLY PLANNED BY THE POA?

No. At this time of this writing, no special assessments are planned by the POA.

HOW IS WORKING CAPITAL FUNDED FOR THE POA?

Working capital consists of the funds on hand to use in case a large, unforeseen cost occurs or the POA's operating budget in a given year is insufficient to deal with the day-to-day operations of the building. Each Owner will contribute three months of the POA dues for their residence at the time of closing to establish a prudent working capital balance for the POA.

WHAT IS THE COMPOSITION OF THE BOARD FOR THE POA?

The POA is currently under its declarant control period. As such, the executive board is currently comprised of two Hotel Owner representatives and one Residence Owner representative. For additional details, please see the Declaration on the POA website.

WHEN WILL THE DECLARANT CONTROL PERIOD END AND WHAT WILL THE STABILIZED BOARD LOOK LIKE?

Per the POA Declaration and Colorado law, the declarant control period will end no later than the sale (closing) of 75% of the residences to be developed across the entire property (both Pinnacle and Cirque). The stabilized board after the declarant control period ends will be comprised of two directors elected by and representing the residential units (Residence Owners), and one director for the commercial units (Hotel Owner).

ASIDE FROM THE POA DUES, WHAT ADDITIONAL COSTS WILL I BE RESPONSIBLE FOR AS A RESIDENCE OWNER?

In addition to the POA dues, each Residence Owner is responsible for paying the property taxes on their residence (to be paid directly to Pitkin County) and must obtain and maintain certain insurance coverages (directly with their choice of insurance provider). These insurance responsibilities include general liability and residence contents coverage from the drywall of the residence in, including all furniture, housewares and personal property. Residence Owners are also responsible for all fees and charges contained within the applicable RMA, PMA or ASA agreements and any applicable real estate transaction costs upon a re-sale of their residence. Residence Owners under an ASA and renting independently are responsible for any and all fees and taxes associated with such rental, including the Master Association rental assessment, described below.

OWNERSHIP COST SUMMARY:

Basic Ownership Costs:

- Assay Hill Lodge Condominium Association (POA) dues
- Master Association dues (billed with the POA dues)

- Association Questionnaire
- Unit Conveyance Services Fee
- Master Association transfer assessment
- Town of Snowmass Village transfer assessment

- Typical closing costs

Master Association

WHAT IS THE MASTER ASSOCIATION?

The Master Association, also known as Base Village Company, is responsible for the village plaza and ice rink (maintenance and snowmelt), public restrooms, walkways and landscaping throughout the village (from Viceroy to Hayden Lodge) and other miscellaneous common elements. The easiest way to think about the Master Association is that it generally covers all the common elements from the building eaves outward throughout Base Village.

HOW MUCH ARE MASTER ASSOCIATION DUES?

For Fiscal Year 2023, the Master Association dues are budgeted to be \$3.00 per square foot per year on all residential properties within its boundaries, which extend from the Viceroy to the Hayden Lodge. On commercial property within its boundaries the Master Association collects dues on \$0.75 per square foot per year. In addition, the Master Association collects a Building 6 assessment on all properties (residential and commercial) built after 2016 – which will include Cirque, upon its completion. For Fiscal Year 2023, this Building 6 assessment has been budgeted at \$0.48 per square foot per year. The Master Association further collects a 1.0% transfer assessment on the sales of all residential property within its boundaries. This is in addition to the 1.0% transfer assessment levied by the Town of Snowmass Village. Lastly, the Master Association assesses 1.5% on all real estate rental revenue collected within its boundaries.

DOES THE MASTER ASSOCIATION RUN A SURPLUS OR A DEFICIT?

The Master Association experienced an annual surplus for Fiscal Year 2021/2022 of over \$400,000.

DOES THE MASTER ASSOCIATION HAVE ADEQUATE RESERVE FUNDS?

As of October 31st, 2022, the Master Association’s reserve fund balance is approximately \$1,600,000. A full reserve study is available upon request.

WHAT IS THE MASTER ASSOCIATION BOARD COMPOSITION?

The Master Association Board is a seven-person board is comprised of: three commercial/lodging representatives from the Joint Venture, one representative from Aspen Skiing Company, two residential representatives and one “at large” representative – who is also a residential owner.

WHO MANAGES THE MASTER ASSOCIATION?

Snowmass Mountain Lodging is the Master Association manager, under a management agreement with the Master Association.

WHERE CAN I LEARN MORE ABOUT THE MASTER ASSOCIATION?

The Master Association maintains a website at <http://www.basevillagemaster.com>. Interested purchasers can access the documents through the owner portal by signing in with: username: guest; password: guest.

Special Taxing Districts

IS THE PROPERTY LOCATED WITHIN ANY SPECIAL TAXING DISTRICTS?

Yes. In addition to being within the Town of Snowmass Village, school district, fire district, etc., all Base Village residential properties are in Base Village Metropolitan District #2 (D2) and a General Improvement District (GID). It is recommended that purchasers ask their real estate agent to obtain a prior year tax bill in order to see the full extent of property taxes charged in Base Village – which includes the tax levy from these special taxing districts.

WHAT DO THESE SPECIAL DISTRICTS DO?

Base Village Metropolitan District #1 (D1) which generally includes only the commercial properties within Base Village is responsible for operating and maintaining all district assets, which include the transit center, the public/commercial parking area of the Base Village parking garage, the Base Village Conference Center, and the ski way bridges. D2 (which generally includes all the residential properties within base village – including Cirque) is the financing district that issued debt (bonds) to fund the construction of various public improvements, including those listed above as well as the skier bridges, bridges over ski ways and other improvements. D2 also has an obligation to contribute funds to D1 to support the costs of district operations. The GID funds the operating cost of the “Skittles Gondola,” which connects Base Village to the Mall.

HOW MUCH TAX DO THESE SPECIAL DISTRICTS ADD TO THE PROPERTY?

In 2022, D2 assessed 47.748 mills, and the GID assessed 6.004 mills. This total of 53.752 mills represented approximately 50% of the total mill levy assessed on Base Village residential properties. In other words, property tax rates in Base Village are approximately double those of other properties in Snowmass Village that are not located within these special districts. After applying Colorado’s residential assessment ratio, with a total mill levy of 104.069 for 2022 (includes local and state taxes as well), a \$3 million residence at Snowmass Base Village will pay approximately \$22,323 in annual property taxes. Approximately \$11,530 of this would be paid to D2 and the GID.

CAN THE PROPERTY TAXES GO UP?

D2’s mill levy is capped but is subject to adjustments as the state assessment ratio changes. Increasing beyond that would require a majority vote of all D2 qualified voters. The GID’s mill levy may be able to increase up to 10.0 in the future. The rest of the mill levy composition (town, school district, fire district, etc.) is subject to whatever increases or decreases occur within each of these taxing entities – most of which require a taxpayer vote. Property tax amounts will also change over time in accordance with changes in assessed property valuations (i.e., if assessed values increase, property taxes will increase proportionately, and vice versa).

WHO CONTROLS THE SPECIAL DISTRICT BOARDS?

The D2 board is currently controlled by a single residential owner, but additional board seats are available to be filled by qualified candidates who both directly own residential property in Base Village and are Colorado residents. The GID board is controlled by the Town of Snowmass Village. The D1 board is controlled by owners of the commercial properties in Base Village – currently the development Joint Venture and Aspen Skiing Company.

WHAT IS THE METRO DISTRICT CAPITAL FACILITIES FEE?

In addition to collecting property tax, D2 collects a Capital Facilities Fee in the amount of \$5,150 upon the closing of each initial (developer) residential transaction within the district. This fee is not collected on resales.

HOW MUCH DEBT DOES D2 HAVE?

Approximately \$44 million. Financial statements for D1 and D2 are available on the district's website – see below.

WHERE CAN I LEARN MORE ABOUT THE BASE VILLAGE METROPOLITAN DISTRICTS?

Base Village Metropolitan Districts #1 and #2 maintain a shared public website: www.basevillagemetro.com.

WHERE CAN I LEARN MORE ABOUT THE GENERAL IMPROVEMENT DISTRICT?

The GID is controlled and run by the Town of Snowmass. Please contact Clint Kinney (CKinney@tosv.com at the Town for more information.

Property Management & Rental

WHAT ARE THE DETAILS OF THE VICEROY BRANDED RENTAL PROGRAM?

The Hotel Owner offers a Viceroy branded rental and property management programs. A separate more detailed FAQ document focused only on rental and property management is available. Please contact the hotel's rental program representative for this document and other details. Max Bardell can be reached by phone at 970-923-8033 or via email at max.bardell@viceroyssnowmass.com. Rachel Pudlo can be reached by phone at 970-923-8040 or via email at rachael.pudlo@viceroyssnowmass.com. Purchasers will be asked to sign an acknowledgment that the purchase is for personal use and occupancy and not solely for investment purposes through the developer-related rental program activities.

AM I REQUIRED TO RENT MY RESIDENCE THROUGH THE VICEROY BRANDED PROGRAM?

No, the Hotel Owner offers a Viceroy branded rental program, but there is no obligation for Residence Owners to participate. Residence Owners can choose to rent through the Viceroy branded rental program, rent independently with another property management company or not rent at all. However, per the Condominium Declaration all owners must enter into either a "Property Management Agreement" (either a PMA or ASA). For more information on these agreements, please contact Max Bardell or Rachael Pudlo (contact info above).

WHY DO I HAVE TO EXECUTE EITHER A PMA OR ASA?

Per the Declaration, in order to ensure compliance with the Hotel Standard, every Residence Owner is required to enter into a “Property Management Agreement”. This helps to ensure that the Town requirement that all Residence Owners in the building maintain their residences to a AAA “Four Diamond” standard is met. This also benefits Residence Owners by helping to ensure consistency and quality across the property, which helps to preserve the value of all residences in the building. Additionally, Residence Owners and guests receive certain fundamental services and amenities through these agreements.

WHAT SERVICES WILL I RECEIVE UNDER AN RMA, PMA OR ASA?

Each of these agreements provides for different levels of service and Purchasers should study the options carefully. The services covered under some, but not all, of these agreements includes: residential services, key issuance, check-in/check-out, package delivery, transportation, hard-wired internet, Wi-Fi, telephone service and other hotel systems and services.

DO I LOSE OUT ON ANY AMENITIES OR SERVICES BY GOING WITH A PMA INSTEAD OF AN RMA?

Nothing aside from the rental program itself. However, the services offered under an ASA are more limited than those offered under an RMA or PMA.

IF I DON’T RENT MY RESIDENCE THROUGH THE VICEROY BRANDED RENTAL PROGRAM CAN IT STILL BE RENTED AS A “VICEROY” BRANDED RESIDENCE?

No. Only residences that are under the Viceroy branded rental program can be rented as a “Viceroy” residence. Independently rented residences are not technically or legally Viceroy residences and cannot use the Viceroy name, marks, etc. This is strictly monitored and enforced.

ARE THE RMA, PMA AND ASA FEES AND EXPENSES FIXED FOREVER?

No. The Hotel Owner and Hotel Manager have the ability to change these fees. The Hotel Owner and Hotel Manager will evaluate the cost of resources that it takes to provide the services on an annual basis, factoring in fluctuations and inflation.

The Base Village Story

WHAT IS THE HISTORY OF SNOWMASS BASE VILLAGE DEVELOPMENT?

Construction of Base Village began in 2007.

The initial phase, completed in 2009, consisted of the following:

WHO OWNS SNOWMASS BASE VILLAGE?

Much of Base Village is now owned by individual residential unit owners. Aspen Skiing Company owns the Limelight Hotel, Snowmass Mountain Club, ticket office, Treehouse, Four Mountain Sports retail spaces and the ski corral. The Town of Snowmass Village owns The Collective building. The Metro District owns the public portion of the garage, the transit center and the conference center. Numerous owners associations own various common spaces and amenities associated with the village and buildings. The three projects under construction (Electric Pass Lodge, Aura and Cirque), the final undeveloped parcel (Building 10ab), all the retail (except Four Mountain Sports) and the Viceroy commercial units are owned by the Joint Venture.

WHAT DOES FULL BUILD-OUT OF BASE VILLAGE LOOK LIKE?

In addition to what is described above, the current Town approvals allow for another two buildings (10a and 10b) to be constructed on the final undeveloped parcel, located across the Village Walk from Electric Pass Lodge. Buildings 10a and 10b are currently estimated to contain approximately 90 residential units and no additional retail/commercial. However, the PUD allows for more units and the potential for commercial within these buildings.

ARE ZONING APPROVALS IN PLACE FOR THE REST OF THE VILLAGE?

Yes. The Joint Venture completed a minor amendment to the PUD zoning for Base Village in 2020. The Joint Venture has the ability to seek administrative modifications or amendments to the PUD approvals, has already done so, and will likely continue to do so in order to create a vibrant and activated Base Village. Site Specific Development Plan approval is still required for Buildings 10a and 10b.

WHAT IS THE TIMING FOR FULL BUILD-OUT?

The rate of build-out is primarily dependent upon market conditions. The Joint Venture's goal is to complete the build-out as quickly as possible. The soonest that Base Village could be completed is estimated to be 2026.

HOW WILL VIEWS BE AFFECTED BY BUILD-OUT OF THE VILLAGE?

As additional buildings are constructed, views will be impacted to varying degrees and need to be evaluated by purchasers on a case- by-case basis. There are no guaranteed view corridors associated with the project. The physical model located in the SBV sales center is generally kept up to date with PUD parameters and building plans, providing a decent approximation of the relative massing amongst the buildings.

The Neighborhood

The location of Cirque offers an incredible opportunity for residents to maximize time outdoors and enjoy the entire Aspen Snowmass area.

Getting to Snowmass Village

HOW GOOD IS THE AIR SERVICE INTO THE ASPEN/PITKIN COUNTY AIRPORT (ASE)?

Air service is excellent. In winter of 2023 United, American and Delta Airlines are offering direct flights from Denver, San Francisco, Los Angeles, Houston, Chicago, Atlanta, Phoenix, Dallas and Austin. More information on these flights is available at <https://aspenchamber.org/plan-trip/how-to/get-here/by-air/aspen-flight-info>. The overall percentage of on-time flights is high, but does get impacted by weather events. Summer air service is also exceptional, but with some reduction. In the shoulder seasons, service drops to around five arrivals and five departures per day.

HOW DO I GET TO AND FROM THE ASPEN AIRPORT?

Very easily. The Aspen/Pitkin County Airport (ASE) is only eight miles (a 15-minute drive) from Cirque and the Viceroy offers Residence Owners complimentary transportation to and from the airport. See the Transportation and Parking section of this document for more details.

ARE THERE OTHER FLIGHT OPTIONS TO GET TO SNOWMASS?

Yes. The Eagle County Regional Airport (EGE) has similarly strong air service. EGE is only 70 miles away (about a 90-minute drive). There are various commercial shuttle services available to and from this airport. Grand Junction Regional Airport (GJT) is a two-hour drive away and has direct service offerings to major markets. Of course, you can fly to or from just about anywhere from Denver International Airport (DEN), about a four-hour drive from Cirque, or a very quick flight from ASE.

Access to Aspen

HOW DO I GET TO AND FROM ASPEN?

It's an easy drive to and from Aspen – less than 10 miles on an incredibly scenic road. It usually takes less than 20 minutes. The Viceroy offers Residence Owners complimentary transportation to and from Aspen. Please see the Transportation and Parking section of this document for more details.

The Mountain

IS BASE VILLAGE A GOOD PLACE TO ACCESS SKIING?

Absolutely. Base Village offers unparalleled ski access. It is the premier ski access portal in all of Snowmass. All critical ski infrastructure is already installed. This includes the Village Express Lift, Skittles Gondola, Elk Camp Gondola, Assay Hill Lift and a ski way cutting directly through the village with multiple bridges. The Base Village site plan is unique in offering ski-in, ski-out access to most buildings, within a walkable village setting. Cirque offers slope-side ski-in/ski-out access to the Assay Hill Lift or a short walk or luge ride (subject to availability) to the Village Express Lift, Skittles Gondola, and Elk Camp Gondola. Mountain operations are always subject to snow and weather conditions.

HOW DOES SNOWMASS MOUNTAIN COMPARE TO OTHER SKI RESORTS?

Aspen/Snowmass is consistently ranked among SKI Magazine's top five resorts in the West, with a #3 in 2022. Of the four ski areas in the Aspen area, Snowmass is the largest and most popular, offering endless acres of skiable terrain with a diverse variety of terrain and far fewer crowds than many other Colorado resorts. Aspen Skiing Company (ASC) has invested over \$100 million in Snowmass Ski Area over the past 15 years. Lost Forest, a summer adventure park, opened in 2018, along with new hiking and biking trails.
