Job Training Program

The Binghampton Development Corporation (BDC) is working to improve this community with a variety of homeowner, business and community building investments. In addition, we seek to provide training for Binghampton residents who seek a solid foundation for a productive, disciplined life and construction-related employment. In order to prepare residents for the competitive job market, the BDC will provide a structured experience with high performance expectations.

Applicants should realize that this training will only be as successful as the effort invested. The BDC has the following expectations based on the successful experience of other programs and job experiences. Applicants need to be aware of the expectations as follows:

- This program is designed to be a job training program with specific construction training in the areas of light carpentry, sheetrock work, interior and exterior painting, and landscaping. The training tasks will be developed to further the BDC’s efforts to improve Binghampton’s housing.

- The BDC training program should not be considered a place of permanent employment. This program is designed to prepare the applicant for positions in the marketplace with a wide variety of experiences over a 6 to 12 month period. The BDC does not guarantee employment for any period of time. While a training position may be terminated earlier by either the trainee or the BDC, but all training positions will terminate at 12 months.

- For successful trainees, the BDC will seek to make job referrals, provide intern opportunities, and assist as possible in the employment search.

- Applicants are expected to promptly report for work each workday at 7:30 AM, in a clean, BDC provided t-shirt and work until 3:30 PM each day. Trainees will be regularly evaluated on skills, teamwork and effort, which will be the basis for continuing employment. Applicants will be required to attend both Bible and life skill training (financial, resume, and interviewing), with some required attendance after work hours without pay. The Job Training Coordinator will have the final say in the termination of trainees for cause at any time.

- Trainees will be subject to pre-employment, reasonable suspicion, accident-related and random drug and alcohol tests. Failure on either will result in disqualification from the program or immediate termination.

- Applicants must pass substance abuse testing, undergo a background check, and successfully compete with other applicants for available positions prior to hiring.
