Colorado Health Foundation gives $50,000 for the SAME Café Food Truck ...you can help get the truck on the road

We are extremely grateful to the Colorado Health Foundation for their $50,000 grant this month for the SAME Café Food Truck! The Food Truck will extend the reach of the SAME Café to serve nutritious, high-quality food to people throughout the Denver area. Like the Cafe, the SAME Cafe Food Truck will operate as a pay-what-you-can-afford for the freshly-prepared meals from the mobile cafe and easy-to-cook produce from the mobile food market in the food truck.

With generous contributions of $15,000 from the The Buck Family Foundation, $10,000 from Kathryn and Gary Dudley, $5,000 from the COBiz Cares Foundation, $5,000 from Nancy Grandys-Jones, $5,000 from Timothy Pifiefer, $1,000 from Joe Woodward, and donations from many other SAME Cafe friends we are just $11,000 from the total we need to be able to purchase, equip and operate the Food Truck during 2019!

You can help this exciting new SAME program feed hungry people in Denver by donating at coloradogives.org/SAMEfoodtruck.
