# A BINTANG XMAS

Philippines is home to some of the world's boldest and brightest flavour, ingredients and spices. Chefs, scientists and mothers have worked for thousands of years to perfect the traditional dishes we enjoy today. For over 30 years, Bintang has been serving those refined meals, and we're happy to share them with our guests for another festive season.

There's no better time to treat yourself to some heartwarming dishes and nobody better to eat with than your loved ones. Designed to bring together family and friends with our **BYOB policy** ensuring you'll have a merry time

With decades of experience and an inviting atmosphere, there's a good reason that parties come to Bintang.

Our Christmas bookings fill up quickly, so we encourage our guests to book as soon as possible to avoid disappointment.

Offering vegan, halal and vegetarian dishes

## ABOUT THE MENU

Our Christmas menu takes visitors on a journey across the eastern half of the Silk Road. We offer Pan-Asian classics, tried and tested for years, alongside original dishes that ensure nobody only visits Bintang once.

Chef Owner Omar Shah has created a menu that represents the best of Southeast Asian cuisine, accentuated by his signature flair.

Everything on our menu is halal and we cater for almost all dietary requirements, so everybody can find something to love on our menu.

As a halal restaurant, we do not sell alcohol, but we do offer a BYOB policy. See the 'What to know' section for more details.

# WHAT YOU NEED TO KNOW

We welcome parties of all sizes to enjoy the festive season with us.

During December we will be offering our Christmas menu, the price includes your choice of starter, entree and dessert. We're sure everybody will leave with full stomachs, but if an item on another menu is too tantalizing it can be ordered at the a la carte price on top of the Christmas menu price. An compulsory 10% service charge will be added to your bill for large bookings.

## **BYOB**

Bintang is a halal restaurant, and as such we do not sell alcohol. Instead, we have a **BYOB policy** - for a small corkage fee, guests are welcome to bring their own bottles of alcohol. The corkage fee varies depending on the size and type of alcohol in question - **please enquire at the time of booking for more details.**

## **Allergies and Diets**

We do cater for vegans, vegetarians, pescaterians, gf. If theres anything on the menu you have your eye on we will try our best to cater to your diet.

We can cater for almost all allergies and dietary requirements but we require notice at the time of booking. If you have any questions regarding allergies or dietary information, please ask at the time of booking.

## **PLEASE NOTE**

we strive to provide accurate info however cross contamination may occur.

## **Times**

To ensure all of our guests have a wonderful experience, food will need to begin being served within 15 minutes of the agreed dining time. We may not be able to change the dining time if individuals are late due to the busy period. We may politely ask for your group's table back after 2 hours, but that should be more than enough time for everybody to enjoy their meals. Please make a note when booking if you think you'll need longer.

## **Deposits**

Please note that all party bookings require a **deposit of £10 per person**, which will be deducted from your final bill. **Bookings are not confirmed until this deposit has been received.**

This deposit is non-refundable in the event of a cancellation, and we reserve the right to retain the deposit for party size amendments on a per head basis. The number of guests agreed with us 72 hours prior to the reserved time will be considered the minimum number of guests to be catered; we reserve the right to charge the full set menu on a per head basis.
