‘As It Happens from CBC’

CLOCK

Below is the outline of the “As It Happens” clock which feeds live at 1900 ET:

0:00 to 01:00 - billboard
01:00 to 06:00 - newscast window (stations must fill the newscast window with an outside source.)
06:00 to 35:00 - AIH segment one (new outcue will not reference the CBC version newscast at the bottom of the hour - i.e. “...back after this.”)
35:00 to 36:00 - one minute local ID break with music under
36:00 to 59:00 - segment two - the US version will start just past what will now be a standard one-minute second-half billboard
59:00 Program ends
