# **Community Resource Directory**

## **Oxford, Ohio**

### **January 2020**

The Oxford Area Community Resource Directory was originally published in 2017 through the collaborative effort of Oxford VillAGE Network, Oxford Seniors, Inc., Miami University student interns and community volunteers using the 2010 SAGE resource directory as a starting point.

This updated 2020 edition of the Community Resource Directory is the result of collaboration between Age-Friendly Oxford, AARP Ohio, Oxford VillAGE Network, Oxford Seniors, Inc., community volunteers, and Miami University students, faculty and staff. We wish to thank all those involved in making this updated edition possible.

This Community Resource Directory is designed to provide helpful information to those living in the Oxford area including the surrounding townships. Community resources include (but are not limited to) public service institutions, businesses, and charitable organizations that provide assistance and services to local residents.

Age-Friendly Oxford does not endorse or recommend programs, businesses or services and the inclusion of such in this directory cannot be construed as an endorsement or recommendation. As services, businesses, and programs frequently change, Age Friendly Oxford recognizes that this directory may not be an exhaustive listing of resources available at any given time or may include listings that are no longer available.

If you notice any changes that should be made to the entries in this directory, please email the information to [info@agefriendlyoxford.org](mailto:info@agefriendlyoxford.org).

## **Medicare**

Overview: Medicare is the federal health insurance program for people who are 65 or older, certain younger people with disabilities, and people with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant, sometimes called ESRD). There are four parts to Medicare. Each Part helps cover specific services.

- Medicare Part A (Hospital Insurance) covers inpatient hospital stays, care in a skilled nursing facility, hospice care, and some home health care.
- Medicare Part B (Medical Insurance) covers certain doctors' services, outpatient care, medical supplies, and preventive services.
- Medicare Part C (Medicare Advantage) is offered by a private company that contracts with Medicare to provide you with Part A and Part B benefits. Medicare Advantage Plans include Health Maintenance Organizations, Preferred Provider Organizations, Private Fee-for-Service Plans, Special Needs Plans, and Medicare Medical Savings Account Plans. If you’re enrolled in a Medicare Advantage Plan, most Medicare services are covered

through the plan and aren't paid for under Original Medicare. Most Medicare Advantage Plans offer prescription drug coverage.

- Medicare Part D (prescription drug coverage) adds prescription drug coverage to Original Medicare, some Medicare Cost Plans, some Medicare Private-Fee-for-Service Plans, and Medicare Medical Savings Account Plans. These plans are offered by insurance companies and other private companies approved by Medicare. Medicare Advantage Plans may also offer prescription drug coverage that follows the same rules as Medicare Prescription Drug Plans.

## ***Nursing Homes***

---

The Ohio Department of Aging (ODA) provides information to consumers about long-term care options including nursing homes. The information provided below is taken from the [ltc.ohio.gov](http://ltc.ohio.gov) website.

Nursing homes primarily serve consumers needing more medical services than those available through home care, assisted living and other options. Nursing homes do not necessarily mean long term care; more than half of all nursing home stays are for three months or less. Increasingly, nursing homes are used to complement and supplement other care options including assisted living, hospital and home care, particularly for short-term rehabilitation. The Ohio Department of Health licenses and/or certifies nursing homes and conducts on-site inspections for compliance with state and federal rules and regulations. To determine if a nursing home is a good option for you, contact your Area Agency on Aging\* and request a free assessment.

\*In Butler County, our Area Agency on Aging is: Council on Aging  
 175 Tri County Parkway, Cincinnati, OH 45246

### **Main Campus, Oxford**

A permit is required at all times to park in a University parking lot except as noted in the parking policies. Visitors to campus are encouraged to park in the Campus Avenue Garage or the North Campus Garage. No permit is needed, but hourly rates and event parking rates apply.

- From 7 am to 6 pm Monday through Friday, a permit is required to park on Spring, Oak and Maple Streets. A permit is not required to park on Spring, Oak, and Maple Streets at other times.
- A permit is not required to park on campus between noon Friday and 10 pm Sunday on weekends of home football games.
- A permit is not required in the parking garages or at parking meters.

## Permits and Citations

- Visitors may purchase a surface lot parking permit at the Parking Office during business hours or online for \$3 per day. Registration requires the license plate number, make, model and color of the vehicle to be registered. This permit allows the visitor to park in any University parking area.
- Visitors who received a University parking citation may make a payment online or by contacting the Parking Office.

## Regional Campuses—Middletown, Hamilton, Voice of America Learning Center

Parking regulations are in effect from 8:00 am to 5:00 pm, Monday to Friday. For example, if you are a visitor and attend an evening lecture or concert, you can park in any campus parking lot area; however, to park in a handicap spot you must have the required placard or license plate designation.

## Where to Park

Miami's regional campuses have a limited number of metered parking spots designated for visitors.

- **Hamilton Campus**  
Visitor parking spots are located on the west side of Rentschler Hall and in the parking lot opposite, on the east side of University Boulevard.
- **Middletown Campus**  
Metered visitor parking spots are located in the south parking lot (in front of Johnston Hall) and in front of Gardner-Harvey Library.
- **Voice of America Learning Center**  
At the Voice of America Learning Center all parking spots are available to visitors, students and faculty and staff members alike; however, to park in a handicap spot you must have the required placard or license plate designation.
