OUR STORY

The Bohemian Biergarten was created and founded by Zdenek Srom in 2013. Zdenek immigrated from his hometown of Boskovice, Czech Republic in 1996. As a beer drinking, Gastro inspired designer, builder and painter, he was able to execute his vision of a true European gastropub. The original bricks and vaulted ceilings found in this historical building provide the perfect backdrop for an old pub. The tables you are seated on were built out of 150-year-old reclaimed lumber and the railings and the light fixtures date back to the early 1900's. Our menu is inspired by Central European Cuisine from Germany, Czech Republic, Hungary, Poland and Austria. Let us transport you to another place and time with our ambiance, imported classic European beers, authentic glassware, Central European food, timeless design, and quality service. Na zdravi! Executive Chef: Bradly Hartman, General Manager: David Caughey
