

FINALFORMS
AUTHORIZED USER TERMS OF SERVICE AGREEMENT

BC Technologies Company, doing business as FinalForms (“FinalForms”), is the developer and owner of a proprietary Internet-based data management service (“Service”). Among other things, FinalForms collects, processes, formats and stores Student Data, as requested by its clients, which include school districts. Certain data used by FinalForms to provide its Service can be created by and made accessible to Authorized Users, who are designated by such clients. Authorized Users are permitted to establish an Account and input Student Data, as part of the Service. This Authorized User Terms of Service Agreement (“TOS Agreement”) sets forth the contractual obligations that are binding upon an Authorized User’s use of the Service. An Authorized User’s use of the Service constitutes his/her agreement to be bound by the terms set forth in this TOS Agreement. If an Authorized User does not agree to be bound by this TOS Agreement, he/she may not access the Service.

I. GENERAL

License:

FinalForms grants Authorized Users a non-exclusive, non-transferable, non-sub-licensable, limited right to access and use the Service solely for personal and non-commercial purposes.

Limitations:

Authorized Users are solely responsible for all equipment, software, and connections, including the security and privacy of those connections, to the Internet, which is required to gain access to the Service.

Instructions:

Instructions for creating a FinalForms Account (“Account”) and for inputting Student Data into the Service are provided within the Service.

Verification of Accuracy and Completeness of Student Data:

The Service provides features that permit an Authorized User to verify the accuracy and completeness of Student Data. Authorized Users are responsible for the accuracy and completeness of all Student Data.

II. SECURITY AND DATA RIGHTS

Account:

To use the Service, an Authorized User must create an Account. To complete the Account creation process, an Authorized User may be required to provide:

- 1) His/her legal first and last name;
- 2) A valid e-mail address; and
- 3) Any other information about himself/herself, as prompted by the Service's registration form.

Age Restriction:

Children under the age of thirteen (13) are prohibited from becoming Authorized Users or directly providing personal information to FinalForms without the consent of their parents or guardians.

Security:

An Authorized User is solely responsible for maintaining the confidentiality of his/her user identification and password. An Authorized User is solely responsible for all activities that occur in connection with his/her Account. An Authorized User must immediately notify FinalForms of any unauthorized use of his/her Account or other security related breaches of which he/she becomes aware. An Authorized User agrees to access and use the Service in accordance with this TOS Agreement and all applicable local, state, and federal laws and regulations. FinalForms reserves the right to deny or revoke access to the Service, in whole or in part, if FinalForms reasonably believes that an Authorized User is in breach of this TOS Agreement or is otherwise using or accessing the Service in a manner that is inconsistent with the TOS Agreement.

Exporting of Student Data:

FinalForms clients may allow Authorized Users to export Student Data from FinalForms. FinalForms assumes no responsibility for the use, security, or privacy of Student Data once exported from FinalForms.

Financial Information and Billing:

Authorized Users may be required by clients to provide true, accurate, current, complete, and valid financial information for purposes of online billing ("Billing Data"). If an Authorized User supplies Billing Data that is untrue, inaccurate, not current, or incomplete, or if FinalForms reasonably believes or suspects that Billing Data is untrue, inaccurate, not current or incomplete, FinalForms has the right to suspend or terminate his/her status as an Authorized User and/or suspend, discontinue, or terminate the Service or any portion thereof temporarily or permanently with or without notice.

By supplying FinalForms with Billing Data, an Authorized User permits FinalForms to charge the credit card listed in his/her Billing Data for all applicable fees incurred in connection with his/her use of the Service. An Authorized User's Account will specify all charges that have been made. An Authorized User shall notify FinalForms of any changes to his/her Billing Data.

IX. MISCELLANEOUS

Waiver and Severability:

Any waiver or modification of this TOS Agreement will not be effective unless executed in writing and signed by the Authorized User and a duly authorized representative of FinalForms. The failure of either party to enforce, or the delay by either party in enforcing, any of its rights under this TOS Agreement will not be deemed to be a waiver or modification by such party of any of its rights under this TOS Agreement. If any provision of this TOS Agreement is held to be unenforceable by a court of law, in whole or in part, such holding will not affect the validity of the other provisions of this TOS Agreement.
