   (d) The Municipal/City Council Committees for Banjul City and Kanifing Municipality shall be as set out in Seventh and Eighth Schedule to this Act.

PART IV - WOMEN AND CHILDREN WITH DISABILITIES

18. Addressing multiple discrimination against women with disabilities

(1) The Government recognizes that women and girls with disabilities are subjects to multiple discrimination and in this regard shall take measures to ensure the full and equal enjoyment by them of all human rights and fundamental freedoms.

(2) This includes, but is not limited to, specialist health care, particularly in the field of sexual and reproductive health.

(3) This includes, but is not limited to, prosecuting allegations of gender-based violence and providing the necessary systems for women with disabilities to have a voice in the legal, educational and healthcare sectors.
19. Recognition of the particular vulnerability of children with disabilities

In all actions concerning children with disabilities, the best interests of the child shall be a primary consideration.

PART V- YOUTH AND OLDER PERSONS WITH DISABILITIES

20. Ensuring that Youth with disabilities have full enjoyment of human and peoples’ rights on an equal basis with other youth.

(1) Youth with disabilities have full enjoyment of human rights and fundamental freedoms on an equal basis with other youth.

(2) States Parties shall take policy, legislative, administrative and other measures to ensure that all the rights of youth with disabilities are fully respected, including by:-

(a) Promoting full, inclusive and accessible education for youth with disabilities;

(b) Promoting the inclusion of youth with disabilities in mainstream youth organisation and programmes;

(c) Removing barriers that hinder or discriminate against the participation of youth with disabilities in society;

(d) Promoting training and access to information, communication and technology for youth with disabilities;

(e) Developing programmes to overcome social and economic isolation, and removing systemic barriers in the labour market for youth with disabilities;

(f) Ensuring access to credit facilities for youth with disabilities;

(g) Developing and implementing specific measures to facilitate full and equal participation of youth with disabilities in sports, culture, science and technology;

(h) Promoting sexual and reproductive health education for youth with disabilities;

(i) Promoting the participation of youth with disabilities in political decision-making and activities.
21. Ensuring that Older Persons receive equal treatment and protection

(1) Older persons with disabilities have full enjoyment of human rights and fundamental freedoms on an equal basis with other older persons.

(2) States Parties shall ensure that all the rights of older persons with disabilities are fully protected by taking policy, legislative and other measures, including for:

(a) Ensuring that older persons with disabilities, on an equal basis with others, access social protection programmes;

(b) Taking account of age and gender-related aspects of disability in programming and resourcing in accordance with the present Protocol on Older Persons;

(c) Ensuring that older persons with disabilities exercise their legal capacity on an equal basis with others, and that appropriate measures and safeguards are put in place to provide older persons with all the support they may require to exercise their legal capacity;

(d) Ensuring that older persons with disabilities have access to appropriate services that respond to their needs within their community;

(e) Ensuring that older persons with disabilities are protected from violence, including violence on the basis of accusations or perceptions of witchcraft;

(f) Ensuring that older persons have access to appropriate sexual and reproductive health information and services.

PART VI – INTEGRATION OF PERSONS WITH DISABILITIES

22. Living independently and being included in the community

(1) Every person with disability shall be assisted by his or her local government authority, relative, disability organizations, civil society or any other person to live as decently as possible and be integrated into the community.

(2) The Minister shall in consultation with the Advisory Committee, make regulation and take such measures as may be necessary to enable and support persons
with disabilities to live independently and fully integrated in to the community, including; -

(a) Provision of equal opportunities for every person with a disability to choose his place of residence and living arrangements, in accordance with any relevant laws;
(b) Provision of community services for the general public available without discrimination to persons with disabilities and are responsive to their basic needs; and
(c) Provision of a wide range of accessible community based rehabilitation and inclusion services such as in-house, residential and other community support services, personal assistance, sign language interpretation, and any other measures necessary to support living and integration in the community, promote access to information about available support services, and to prevent disability-based discriminations in the community.

23. Obligation to provide social support.

(1) Every parent or guardian of a person with a disability shall have an obligation to provide social support to that person.

(2) Where it is established that a parent or guardian neglects to provide reasonable social support to a person with a disability the court may, on the application of either the person with a disability or a legal representative;

(a) Order the relative to make monthly payments of such sum as it may deem fit;
(b) From time to time and by an order, vary or discharge any previous order made under subsection (a);
(c) Where the court makes an order under subsection (a), the court may order the parent or guardian to secure to the satisfaction of the court, monthly payments to the person with a disability and may for that purpose gives directions; and
(d) In the event a parent denies paternity the court shall grant an
order for DNA tests to be conducted.

24. Formulation of Programmes

(1) The Minister shall in consultation with the Advisory Committee and relevant Ministers, formulate programmes in order to secure integral and inclusive social development of persons with disabilities including their vocational training and rehabilitation.

(2) The programmes provided in sub-section (1) may also provide for shelter, employment, marketing, accessibility and the promotion of innovation.

PART VII – SUPPORT SERVICES FOR PERSONS WITH DISABILITIES BY LOCAL GOVERNMENT AUTHORITIES

25. Duty of local government authorities to safeguard persons with disabilities

(1) A Local Government Authority shall have the duty to safeguard and promote the rights and welfare of a person with disability within its jurisdiction.

(2) The Social Welfare Officer in the Local Government Authority shall exercise his or her function in relation to the rights and welfare of a person with disability and, can be assisted by such officers of the local government authority as the authority may determine.

(3) The Local Government Authority through a Social Welfare Officer shall request for the provision counseling services to the parents, guardians, relatives and persons with disabilities for the purpose of reducing or removing the degree of stigma among them.

(4) The Local Government Authority shall within its jurisdiction, be required to provide assistance to persons with disabilities in order to enable them to develop their potential, empowerment and self-reliance.

(5) Every Local Government Authority shall maintain a register of persons with disabilities and shall submit particulars therein to the Director.

26. Duty to report alleged infringement of rights of a child with disability
(1) Any member of a community who has evidence or information that:-

(a) The rights of a child with disability are being infringed; or

(b) A parent, guardian or relative having custody of a person with a disability who is able to, but refuses or neglects to provide the right to play, medical care, leisure and education, shall report the matter to the Local Government Authority as well as any other relevant Authority of the area.

(2) The social welfare officer may on receiving the report, summon the person against whom the report has been made to discuss the matter and the decision shall be made by that officer in the best interest with the person with a disability.

(3) Where the person against whom report was made refuses to comply with the decision made under sub-section (2), the social welfare officer shall refer the matter to the court which shall hear the matter and in that respect order the parent, guardian or relative to execute a bond to exercise proper care and guardianship by signing an undertaking to provide the person with a disability with any or all of the requirements.

(4) Procedure for handling any matter under subsection (2) and (3) shall be as prescribed in The Children’s Act 2005.

PART VIII - STATISTICS, DATA COLLECTION AND REGISTRATION OF PERSONS WITH DISABILITIES

27. Statistics and Data Collection

(1) The Government will undertake to collect appropriate information, including statistical and research data, to enable them to formulate and implement policies. The process of collecting and maintaining this information shall; -

(a) Comply with legally established safeguards, including legislation on data protection, to ensure confidentiality and respect for the privacy of persons with disabilities; and
(b) Comply with internationally accepted norms to protect human rights and fundamental freedoms and ethical principles in the collection and use of statistics.

(2) The information collected in accordance with this article shall be disaggregated, as appropriate, and used to assess the implementation to address barriers faced by persons with disabilities in exercising their rights.

(3) The Advisory Committee shall assume responsibility for the dissemination of these statistics and ensure their accessibility to persons with disabilities and others.

28. Register of persons with disabilities

(1) The Director shall after consultation with the Advisory Committee, establish and maintain a register of persons with disabilities to be known as the Persons with Disabilities Register.

(2) Entries and other alterations in the register shall be made in such a manner as the Director may from time to time, determine.

(3) A person who makes an unauthorized entry or alteration on the register commits an offence and is liable for forgery.

(4) The register established under sub-section (1) shall only be used for identification and other statistical purposes.

(5) A person with a disability shall decide whether to be registered on the register.

PART IX - HEALTHCARE OF PERSONS WITH DISABILITIES

29. Healthcare and rehabilitation

(1) Every person with a disability shall enjoy the highest attainable standard of health care service without any discrimination.

(2) Every public or Government health facility shall not deprive a person with a disability the right to health care service and shall take all reasonable and necessary measures to ensure access for such persons to health services.

(3) Every public or Government health facility shall; -
(a) Provide persons with disabilities with the same level and standard of health and rehabilitation services as provided to other citizens, including health counseling, reproductive health, family planning, prenatal and postnatal child care and other general public health services;

(b) Make available basic facilities and rehabilitation essential for health and rehabilitation services needed by persons with disabilities in their respective locations; and

(c) Provide all health and rehabilitation personnel with appropriate education and training to increase their knowledge, awareness and respect for the rights, dignity and needs of persons with disabilities, in accordance with the provisions of this Act.

(4) The Advisory Committee shall ensure that;

(a) A code of ethics for public and private care which promotes quality care, openness and respect for the rights, dignity and autonomy of persons with disabilities, is put in place;

(b) The services and conditions of public health care and rehabilitation facilities are well monitored;

(c) The health and rehabilitation services provided to persons with disabilities, and disclosure of information in that regard, is carried out only after the person concerned has given his or her free and informed consent, or, if the person is incapacitated, the next of kin has given free and informed consent, and that health and rehabilitation professionals inform persons with disabilities of their right;

(d) Encourage training and developing of sufficient numbers of health and rehabilitation professionals at all levels including persons with disabilities, covering all disciplines needed to meet the health and rehabilitation needs of such persons and ensure that they have adequate specialized training;

(e) Promote the effective participation and empowerment of persons with disabilities and their organizations in planning, delivering, monitoring and evaluation of health and rehabilitation services; and
(f) A disability module for all students and staff is included in all health training institutions’ curricula.

(5) A person with a disability is entitled to the provision of effective medical care and measures that prevent the occurrence of impairment that may cause permanent functional limitation or disability.

(6) A person with a disability is entitled to receive appropriate information related to health in the relevant accessible format.

(7) It is an offence to deny or discriminate against any person with a disability in relation to access of health care and rehabilitation.

30. Special health services

The Government shall promote special health services required by persons with disabilities including; –

(a) Providing access to reproductive health services which are relevant to the specific needs of women with disabilities;

(b) Enforcing user friendly health facility environments for use by persons with disabilities visiting hospitals and health care centers;

(c) Providing appropriate materials and equipment for use and services of persons with disabilities visiting health facilities;

(d) Encouraging population based public health programmes relevant to persons with disabilities; and

(e) Strengthening support and decentralize special needs schools and health services.

31. Prevention of disability

The Government shall promote the prevention of disability through; -
(a) Health and environmental education in schools and communities to mitigate the risk factors connected with lifestyles and the environment

(b) Health prophylactics;

(c) Enforcement of healthy and safe labour conditions;

(d) The introduction of an early identification system for disability and the intervention or strengthening of existing systems to minimize disability among children and the elderly;

(e) The strengthening and implementation of road safety policies to minimize road accidents;

(f) The strengthening of programmes for land-mine clearance where mines exist to protect persons from mines that cause disability;

(g) The enforcement of all activities and services that may help to prevent disability in people.

PART X- REHABILITATION OF PERSONS WITH DISABILITIES

32. Measures of rehabilitation

The Government shall; -

(a) Adopt measures of habilitation and rehabilitation to help persons with disabilities gain or regain functional ability to enhance participation in social and economic life;
(b) Promote the research, exploration and application of new rehabilitation technology so as to provide more effective rehabilitation services for persons with disabilities;
(c) Establish medical rehabilitation departments or sections in hospitals, special institutions of rehabilitation and carry out clinical practice and training, scientific research, personnel training and work of technical guidance in the field of rehabilitation;

(d) Provide various forms of technical training for personnel engaged in rehabilitation work;

(e) Popularize knowledge of rehabilitation among persons with disabilities, their family members, relevant staff and volunteers and teach them methods of rehabilitation; and

(f) Ensure that medical institutions and other relevant educational institutions offer curricula and specialties on rehabilitation.

33. Vocational rehabilitation and employment

(1) The Government shall take vocational rehabilitation measures to develop the skills and potentials of persons with disabilities to enable them to compete favorably for available productive and remunerative employment opportunities in the labour market.

(2) The Minister shall in consultation with the Advisory Committee, make regulations prescribing vocational rehabilitation courses for persons with disabilities on or above the age of sixteen years in order to render them fit for employment or works on their own or for making use of vocational training courses.

PART XI- EDUCATION OF PERSONS WITH DISABILITIES

34. Education and training for persons with disabilities

(1) All persons with disabilities shall have same right to education, training in inclusive settings and the benefits of research as other persons without disabilities.
(2) Every child with a disability shall have equal rights in relation to admission to mainstream public or private schools, provided he or she or his or her parents are financially able to pay the school fees of the school in question.

(3) Every child with a disability has the right to attend a mainstream public or private school or a special needs school.

(4) Children requiring special care shall be placed in institutions or schools that can successfully provide the appropriate services for their special needs where the needs could be met in regular schools and they will be mainstreamed.

(5) Mainstream institutions enrolling children with special needs shall respond to their individual needs without discrimination by providing appropriate curricula, organizational arrangements, teaching strategies, itinerant teaching, resource use and partnership with parents and communities.

(6) The Government shall, promote educational development of persons with disabilities through; -

(a) Encouragement of inclusive education;

(b) The formulation and design of educational policies and programs that promote the special needs and requirements of persons with disabilities

(c) The formulation of policies that give children with disabilities access to relevant education at all levels, paying particular attention to the requirements of the girl child and children in rural areas;

(d) The establishment of special schools and units where inclusive education is not possible, with curricula designed for different disability conditions;

(e) The inclusion of a module on teaching children with special needs and sign language in the curricula of teacher training courses;
(f) The provision of adequate training for special teachers and in-service training for current teachers in mainstream schools to cater for the educational development of persons with disabilities;

(g) The Provision of learning and instrumental materials and assistive devices suitable for learners with special needs, through assessment of needs after admission and the provision of sign language interpreters;

(h) The Enforcement of recruitment and retention of special education teachers in all schools and institutions;

(i) Structural and other appropriate adaptations of all education institutions to the needs of persons with disabilities and the promotion of specialized institutions that facilitate research and the development of persons with disabilities;

(j) The provision of assistive services during examinations including giving extra time or papers in Braille suitable for students with special disability needs; and

(k) The commitment of not less than 10% of all educational expenditure to the educational needs of persons with disabilities at all levels.

35. Prohibition of discrimination in learning institutions and educational services

(1) A person or learning institution shall not discriminate against persons with disabilities or to deny them educational services on the grounds of their disabilities.

(2) Discrimination shall be implied where a person or institution;

(a) Refuses or fails to accept an application for admission in an educational
institute by a qualified person because of that person's disability;

(b) Gives terms and conditions on which it is prepared to admit such a person because of his or her disability, or if the terms and conditions of admission to the educational institution excludes persons with disabilities;
(c) Denies or limits any person with disability access to any benefits or services provided by that learning institution;
(d) Expels a student or pupil with a disability on the grounds of his or her disability;
(e) Discriminates against or subjects to unfair treatment, of a person in any way on the grounds of his or her disability; or
(f) Constructs or adapts school buildings or infrastructure that is not disabled user-friendly.

(3) The provisions of this section shall not apply to a person denied admission to an educational institution established primarily for students who have a particular disability where that person does not have that particular disability.

36. Facilities for special schools.

(1) Children with mild-to-moderate special needs will be integrated into regular schools with appropriate supportive services. Those that have severe special educational needs will be enrolled in special schools which will serve as resource centres.

(a) Appropriate assessment will be conducted for all categories of special needs children to determine appropriate health care interventions.
(b) Appropriate assessment will be conducted by a multi-disciplinary team for all categories of special needs children to determine appropriate placement for educational interventions.
(c) Special needs children who can cope will be educated within the existing school system and adequate resources put in place to make schools more accessible; and
(d) Children with severe special needs will be educated in special schools with opportunities to go to regular schools.

(2) Every manager or owner of a learning institution shall, in respect of admission, take into account the special needs of persons with disabilities.
(3) Any person who owns or establishes a special school for persons with disabilities shall provide adequate facilities for such purposes.

PART XII- EMPLOYMENT OF PERSONS WITH DISABILITIES

37. Employment of persons with disabilities

(1) Persons with disabilities have a right to; –

(a) Practice their profession if they satisfy all the professional requirements of the profession concerned; and

(b) Carry on any lawful occupation, trade or business of their choice.

(2) The Government shall encourage both the public and private sector to; –

(a) Promote the empowerment of persons with disabilities, including those who acquire disability during the course of their employment;

(b) Allow persons with disabilities work on an equal basis with others; and

(c) Allow persons with disabilities earn a living by work through a quota system of employment.

(3) The Minister, in consultation with the Minister responsible for labour, shall; –
(a) Determine the quota of persons with disabilities in an employer’s workforce, and shall by statutory instrument publish the agreed quota; and

(b) Make regulations requiring every employer to employ persons with disabilities based on the agreed quota system.

(4) An employer shall be deemed to have contravened section 35 (3), unless he or she can prove to the satisfaction of the Minister and the Advisory Committee that;

(a) After reasonable efforts he or she has failed to find a person with disability or a qualified person with a disability for the post;

(b) Due to the nature of the employment, he or she could not get a person with a disability with the skills or experience required;

(c) Due to the nature of work or the circumstance of the working place, it could not be possible to employ a person with a disability; and

(d) Taking into consideration the condition of the person with a disability, he or she is not or would not be able to perform the work adequately or as required.

(5) Every employer, public or private shall;

(a) Where appropriate in any public or provide job advertisement, indicate that persons with disabilities would be considered and are encouraged to apply;

(b) Where there is a vacant post fit for a person with a disability and the person applies for the vacancy, give the post to the person with disability who meets the minimum qualification for such an employment;

(c) Each year, submit to the Director an annual report on persons with disabilities employed in his or her office, workplace, institution or organization; and

(d) Provide the necessary resources for persons with disabilities to make their work effective.
(6) The Minister shall at the end of each financial year, include the status of employment of persons with disability in his or her report to the National Assembly.

38. Continuance of employment for persons with disabilities

Every employer shall endeavor to maintain and safeguard the employment of the persons with disabilities in his or her working place.

39. Prohibition of discrimination in employment

(1) An employer shall not discriminate against a person with a disability in relation to; -

(a) advertisement of employment;
(b) recruitment of persons for employment;
(c) offering terms or conditions of employment;
(d) creation, classification or abolition of jobs or posts;
(e) determination or allocation of wages, salaries, leave, accommodation or any other similar benefits;
(f) training, advancement, apprenticeship, transfer or promotion
(g) provision of facilities related to or connected with employment; and
(h) provision of any other benefits or other matters related to employment.

(2) For purposes of sub section (1), the following shall constitute acts of discrimination:

(a) employer can prove that he or she affects the overall performance and reputation of business, and what the employer has made every effort limiting, segregating or classifying a job applicant with disabilities in such a manner that adversely affects his or her work opportunities;
(b) using qualification standards, employment tests or other selection criteria that screen out or tend to screen out persons with disabilities;
(c) utilizing standards, criteria, or methods of administration showing the effect of discrimination on the basis of disability or perpetuating the discrimination of others who are subject to common administrative control;
(d) providing less payment, remuneration or fringe benefits, to a qualified employee with a disability, than the amount paid to an employee with disability performing the same work;

(e) favoring an employee without disability over a qualified employee with disabilities with regard to promotion, training opportunities, study and scholarship grants, solely on account of the latter’s disability;

(f) re-assigning or transferring a qualified employee with disabilities from a job or position he or she can perform to one which he or she cannot perform because of his or her disability;

(g) dismissing or terminating the services of a qualified employee with a disability on grounds of his or her disability unless the can prove that he or she affects the overall performance and reputation of business, and that the employer has made every effort to accommodate the person with a disability with no improvement to results;

(h) failing to select or administer, in the most effective manner, employment tests that accurately reflect the skills and aptitude of an applicant or employee with disability, rather than the impaired sensory, manual or speaking skills of such applicant or employee, if any; and

(i) excluding persons with disabilities from membership in labour unions or similar organizations (freedom of association, section 25(e) of the Constitution of The Republic of The Gambia 1997).

3) Any employer who discriminates against any person with a disability in relation to employment commits an offence and shall, on conviction, be liable to a fine of one hundred thousand dalasis.

40. Access to work premises and working environment

(1) Every employer shall; –

(a) ensure that the physical features of the premises occupied by the employer does not place an employee with a disability at a disadvantage;
(b) carry out appropriate modification to work premises to facilitate the employment of persons with disabilities;
(c) take all necessary measures to improve the work environment to prevent injuries and impairment;
(d) provide job accommodation and working tools;
(e) ensure safe and healthy working conditions for all employees with disability;
(f) protect employees with disability from any form harassment;
(g) permit employees with disability to exercise their labour and trade union rights in accordance with any relevant laws;
(h) enable employed persons with disabilities to have effective access to general technical and vocational guidance and continuing training for their carrier and advancement; and
(i) claim tax exemption on any costs incurred as a result of the modifications carried out under subsection (1).

(2) The Minister shall ensure:

(a) The promotion of employment for persons with disabilities by applying affirmative action treatment;
(b) Job retention and return to work for any employee who has obtained disability in a workplace; and
(c) Reasonable modifications are provided for persons with disabilities in the workplace.

41. Discriminative medical examination.

(1) An employer shall not conduct any test or examination to establish whether an applicant is a person with a disability or as to the nature or severity of the person's disability.

(2) The provisions of sub-section (1) shall not prevent an employer from making pre-employment inquiries into the ability of an applicant to perform job related functions.

(3) An employer may require medical examination after an offer of employment if:
(a) All newly appointed employees are subject to such examination; and
(b) The examination is required for the health programme available in the employment.

42. Discrimination against general employees.

(1) An employer, led by a code of conduct, shall not discriminate against any employee on ground that the employee;

(a) Opposes acts or practices discriminating against persons with disabilities; or
(b) Testified, assisted or participated in an investigation, proceedings or hearing of a case against discrimination of a person with a disability.

43. Tax reduction

Private employers who employ ten or more persons with disabilities either as regular employees, apprentices or learners on full time basis shall be entitled to tax deduction of fifteen percent of all payable tax upon proof to the Gambia Revenue Authority (GRA).

44. Void contracts

A contract of employment or other agreement is void if the contract;

(a) Requires a person to do anything prohibited under this Act;
(b) Excludes or limits the operation of any provision of this Act; or
(c) Prevent a person from lodging a complaint.

PART XIII – ACCESS TO BUILDINGS, SERVICES, INFORMATION AND PHYSICAL ENVIRONMENT

45. Access to the physical environment.
(1) All persons with disabilities shall be entitled to a barrier free and disability friendly environment to enable them to have access to public premises, facilities, roads, communications and other social amenities to assist and promote their mobility.

(2) The Minister shall in consultation with the Minister responsible for works ensure that every publicly accessible building complies with the accessibility requirements under this Act.

(3) Every public or private body shall comply with accessibility regulations to such extent as is practical and, in particular shall;

(a) Do so at the time of the construction, material alteration or extension of a public building; or
(b) If by doing so, access to public buildings would be provided to a greater number of persons with disabilities with more cost effective manner than otherwise be the case.

(4) Architects, construction engineers and other persons who are involved in design and construction of physical environment shall observe and comply with accessibility requirements to ensure that all new buildings, roads, playgrounds, transport facilities and renovations, conform to designs aimed at creating access for persons with disabilities.

(5) The head of public body shall as far as practicable, ensure the whole or part of a heritage site or tourism facility or activity to which the public has access is also accessible to persons with disabilities in accordance with this Act.

(6) The Minister may in consultation with the Advisory Committee by order published in the gazette, exempt any building from the conditions provided under this section.

46. Access to service provided by a public body
Where a service is provided by a public body, the head of the body shall; -

(a) Ensure that the service is also accessible to persons with disabilities, and seek external advice or expertise where appropriate or necessary; and
(b) If necessary, authorize at least one of his officers to provide, arrange or coordinate the provision of assistance and guidance to persons with disabilities in accessing its services.

47. Access to information

(1) Every responsible Government authority shall promote the rights of persons with disabilities to access information through; -

(a) The development and use of sign language and sign language interpreters in all public institutions and at public functions;
(b) Brailing and synthesizing (audio) of public information, such as Government documents, Government newspapers and other publications; and
(c) Ensuring that communications with the public is available in all accessible formats to persons with disabilities.

(2) A person who owns; -

(a) A television station shall provide sign language inset or subtitles in at least one major newscast programme each day and in all special programs of national significance; and
(b) A telephone company shall provide special telephone devices for the hearing-impaired and tactile marks on telephone sets to enable persons with visual disability to communicate through the telephone system.

(3) The Minister may by order published in the Gazette, set a period during which the requirements under sub-sections (1) and (2) shall be complied with.
**48. Access to public transport facilities**

(1) A person providing a public transport service shall provide access to all transport–disadvantaged persons.

(2) For the purpose of sub-section (1), “transport disadvantaged persons includes” persons;

(a) Using mobility devices such as crutches or calipers, or wheel chairs;
(b) Using sensory devices such as white canes, low vision devices or hearing aids;
(c) Who need assistance such as those using sign language in other support in communication; and
(d) Having difficulty in negotiating steps, climbing stairs or walking long distance including persons having health problems, or those carrying heavy loads.

**49. Regulations on accessibility**

(1) The Minister may after consultation with the Advisory Committee and Ministers responsible for works, transport, communications, and sports, establish regulations on accessibility by persons with disabilities in relation to transport services, public buildings, public services, sports, recreational activities and other areas of physical environment open for public use, through the provision of;

(a) Accessible and easy-to-find building entrances, connected by accessible pathways to accessible indoor or outdoor packing areas, local public transit stops and accessible elevators;
(b) Safe and accessible toilets and bathrooms for diverse disability;
(c) Safe and well-dimension stair cases for the comfort for persons with mobility problems;
(d) Ramps wherever stairs obstruct the free passage pedestrians, mainly wheelchair users and people with mobility problems;
(e) Adequate railing around hazardous areas, stairs, ramps, accessible roofs, mezzanines, galleries, balconies and raise platforms; and
(f) Accessible elevators that serve all public floors, have embossed numerals on buttons and give suitable signals to alert visual and hearing impaired users.

(2) Where it is difficult or not feasible to install a ramp or an elevator to an existing building, the owner of the building shall provide platform lifts to provide accessibility.

(3) Where a physical feature such as one arising from the design or construction of a building or the access to premises makes it impossible for persons with disabilities to use that facility, the provider of the facility shall make adjustments or provide an alternative method of making the facility available to the persons with disabilities.

(4) Sub-section (1) shall not require a provider of services to do any act which would fundamentally alter the nature of the service provided, the trade, profession, or business.

(5) The standards and guidelines shall be made accessible to different groups of persons with disabilities in such forms as; –

(a) Braille, synthesizer (audio), tactile services and large print;
(b) Spoken information and appropriate technology and sign language; and
(c) Computerized information.

(6) The Minister shall in consultation with Advisory Committee and by regulations, set up a monitoring and enforcement mechanism
to ensure compliance with prescribed standards and guidelines on accessibility requirements for persons with disabilities throughout the country.

50. Preparation of code of practice

(1) The Advisory Committee shall prepare a code of practice for public bodies relating to the matters referred to in sections 45-49.
(2) In preparing the code of practice under sub-section (1), the Advisory Committee shall consult with relevant Ministries or any other person as it may consider appropriate or as the Ministers may direct.
(3) The Advisory Committee may amend the code of practice when necessary.
(4) The code of practice prepared under this section shall be published in the Gazette.

51. Responsibilities of certain Ministers

(1) The Advisory Committee shall advise the ministry to ensure that all relevant Ministries prepare and publish a “sectoral plans” outlining the programme of the measures proposed to be taken by or on behalf of the Ministries responsible for matters relating to the provision or services to persons with specified disability or by public bodies or other persons in relation to which performs functions or allocates funds.
(2) Before publishing a sectoral plan under sub-section (1), the relevant Minister shall consult with appropriate representatives of persons with disabilities.
(3) The sectoral plan prepared under sub-section (1), may be amended, replaced or revoked.
(4) The sectoral plan shall contain; -
   (a) Appropriate information concerning codes of practice and relations, if any, relating to the subject matter of the plan;
(b) A complaints procedure to be provided by a public body or by other persons in relation to any matters which are the subject matter of the plan;

(c) Monitoring and reviewing procedures in relation to subject matter of the plan;

(d) A statement of the intervals at which reports shall be prepared relating to the progress made in the implementation of the plan, being intervals of not more than two years from the date of the publication of the plan;

(e) If appropriate, the level of access relating to services specified in the plan; and

(f) Such other matters as the Ministry concerned may consider appropriate.

(5) Where an accessible public transport service and associated buildings and infrastructure are required by a sectoral plan to be provided within a specific date and the specified date is later than the date which would otherwise apply by virtue of section 47, the buildings or infrastructure may be provided at any time before the specified date.

(6) For the purpose of this section, a sectoral plan shall provide for matters specified in sections 45-50.

**52. Complaint to the Ombudsman**

(1) The Director or the Advisory Committee may on its own motion, through a person aggrieved or a legal representative, lodge a complaint relating to;

(a) The deprivation of the rights of persons with disabilities and

(b) The non-implementation of laws, guidelines or instructions concerning the welfare and protection of rights of persons with disabilities.

(2) Without prejudice to the provisions of sub-section (1), the complainant or a person with a disability may, by him or herself or through a legal representative, lodge a complaint to the office of the Ombudsman.
53. Prohibition of denial to public premises

It is an offence for a person with a disability by reason of his or her disability to be denied; -

(a) Admission to any premises to which members of public are ordinarily admitted;
(b) Access to any building providing public service, roads, transport and other indoor and outdoor facilities including schools, housing, banks, medical facilities, sport facilities and workplaces;
(c) Any service ordinarily provided to members of the public; or
(d) Access to public facilities, services, information and communication including new information and communication technologies, and systems open or provided to the public both in urban and rural areas.

54 Accessibility of Roads to Persons with Disabilities

(1) The Government shall make public roads and highways accessible to persons with disabilities including;

(a) Equipping pedestrian crossings with traffic control signals controlled by a pedestrian push-button system;
(b) Providing pedestrian traffic lights with clearly audible signals; and
(c) Use of alarms or bells to signal approaching traffic, among others.

(2) The Minister shall in consultation with the Ministers responsible for works, make regulations for prescribing road signs for persons with disabilities and for effective implementation of this section.

55. Denial of driving permit
A person with a disability shall not be denied a driving permit by reason of his or her disability, provided that he or she passed a driving test and fulfills all other legal requirement to have a permit.

PART XIV – PARTICIPATION OF PERSONS WITH DISABILITIES IN POLITICAL AND PUBLIC LIFE; SOCIAL INCLUSION AND PROTECTION

56. Participation of persons with disabilities in political public life

(1) Every person with a disability who is an adult is entitled to enjoy and exercise the right to vote, hold public officer and otherwise participate in political and public life as any other citizens without any form of discrimination.

(2) A person with a disability has the right to participate in public administration, civil society, political parties and other associations or organization.

(3) A person with a disability has the right to fully participate and take part in decision-making process.

(4) The Minister shall after consultation with the Advisory Committee and Independent Electoral Commission;

(a) Guarantee that persons with disabilities can exercise their political rights by;

(i) Ensuring that political campaigns are fully accessible and easy to understand by all persons with disabilities (particularly in use of the media),

(ii) Ensuring that voting procedures, facilities and materials are appropriate, accessible and easy to understand and use,

(iii) Ensuring that voter registration locations are accessible to persons with disabilities,

(iv) Ensuring that all polling places in each voting Centre have accessible requirements to voters with disabilities including accommodation of voters who use wheelchairs, devices for persons with low vision and tactile ballot templates for visually
impaired and deaf blind persons, and provision of a sign language interpreter for the deaf/hard of hearing,

(v) Providing training for poll workers on the rights of the persons with disabilities and the practical means of ensuring their rights,

(vi) Ensuring that voters with disabilities have the same degree of information available when casting their ballot as others.

(vii) Encouraging and providing reasonable accommodation to persons with disabilities to stand for elections and to hold office and perform all political functions at all levels in the Government; introduction of a minimum quota at the National Assembly.

(viii) Guaranteeing the free expression of the will of the persons with disabilities as electors, and where necessary, at their request, allowing assistance in voting by a person of their own choice, or

(ix) Setting up criteria and procedures to be applied in appointing qualified persons with disabilities to be elected or appointed to represent persons with disabilities in all decision and policy making process during the elections, through affirmative action or special prescribed arrangements;

(b) Actively promote an environment in which persons with disabilities can effectively and fully participate in the conduct of public affairs without discrimination; encourage their participation in the public affairs including:

(i) Participation in non-governmental organizations and associations concerned with public and political life of the country including the activities and administration of political parties, or

(ii) Forming and joining organizations of persons with disabilities to represent their interest at all levels.

(5) Where a voting Centre is inaccessible to persons with disabilities, an alternative location shall be identified and publicized to be used by such persons.
(6) The Government shall initiate and encourage the appointment of persons with disabilities in the organs of Government at all levels.

(7) A person aggrieved by a decision of the Advisory Committee may petition the courts of law or the Ombudsman for a review of the complaint.

(8) Where a person with a disability is a party to any judicial proceedings, the adjudicating body shall take into account the physical and mental condition of the person with a disability.

57. Sports, recreation and leisure

The Minister shall after consultation with the Advisory Committee and the Minister responsible for sports, take appropriate measures to; -

(a) Encourage and promote the participation of persons with disabilities in sport activities at all levels, national and international;
(b) Ensure that persons with disabilities have opportunities to organize, develop and actively participate in sport and recreational activities specific for persons with disabilities;
(c) Urge the provision of appropriate instruction, training and resources for their sports and recreational activities;
(d) Encourage persons with disabilities so as to have access to sports and recreational and tourism venues; and
(e) Ensure that children with disabilities and youth have equal access to participate in play, empowerment, recreational, leisure and other sports activities.

58. Provision of Auxiliary aids or services

(1) The provider of a service shall provide auxiliary, technical aids or services which enables or facilitates persons with disabilities to; -

(a) Have access to sporting and recreational venues; and
(b) Have access to the services of the organizations responsible for specific sporting activities.

(2) A person shall not exclude any person from a sporting activity or recreational activity in which he or she can participate on ground of his or her disability.

(3) The provisions of sub-section (2) shall not apply to; -

(a) A person who is incapable of performing the required sporting activity; and

(b) A person conducting sporting activities for persons who have a particular disability and that person does not have that disability.

(4) At least ten percent of all funds committed to sports and recreational activities shall be used for the development of the recreation and sports aimed at persons with disabilities.

59. Participation in cultural life

(1) A person with disability shall be entitled to participate in cultural life in society without discrimination.

(2) The Government shall in collaboration with civil society, take appropriate steps to enable persons with disabilities to have an opportunity to develop and utilize their creative, artistic and intellectual potentials for their own benefit and for the enrichment of the society.

(3) The Minister shall in consultation with the Advisory Committee and Minister responsible for cultural affairs, take effective and appropriate steps to ensure that persons with disabilities; -

(a) Enjoy access to cultural materials in all accessible formats;

(b) Enjoy access to television programmes, films, theatres and other cultural activities, in all accessible formats; and

(c) Enjoy access to place for cultural performances or services, including theatres, museums, cinemas, libraries and tourism services.
(4) Sign language, tactile language and braille shall be recognized and promoted as official means of communication.

60. Right to supportive social services and protection

(1) A person with disability shall be entitled to social protection without discrimination on the basis of his or her disability.

(2) The Minister shall after consultation with the Advisory Committee and the Ministers responsible for labour, employment and finance, take appropriate steps to ensure that persons with disabilities enjoy access to social security and protection, including steps to:

(a) Ensure access for persons with disabilities to appropriate and affordable services, devices and other assistance for disability related needs, including:

   i. Acquisition of assistive devices, medical specialty and assistance personal services;
   ii. Specialized training activities to improve functional limitations;
   iii. Counseling, rehabilitation and orientation to improve self-image; or

(b) Ensure access by persons with disabilities, in particular the aged, women, children and youth, to social protection programmes and poverty reduction strategies; and

(c) Ensure access by persons with disabilities to available grants and credit services for income-generating activities and to public housing programmes, if resources allow.

61. Access to justice

(1) The government shall ensure that persons with disabilities;

   (a) Enjoy the right to liberty and security of person on an equal basis with others; and
(b) Are not deprived of their liberty unlawfully or arbitrarily, and that any deprivation of liberty is in conformity with the law, and that the existence of a disability shall in no case justify a deprivation of liberty.

(2) If persons with disabilities are deprived of their liberty through any process, they are entitled to guarantees provided by the constitution and in accordance with international human rights law.

(3) If persons with disabilities are encouraged in judicial proceedings; –

(a) Full information shall be made accessible to them, including provision of a sign language interpreter or written documents provided in braille; and

(b) Buildings shall be accessible to them and lack of accessibility is not sufficient reason for the case to be adjourned.

PART XV- OTHER RIGHTS

62. Constitutional rights and freedoms

The fundamental rights and freedoms enshrined in Chapter Four (IV) of the constitution of the Republic of the Gambia 1997 and other laws of the Gambia shall be respected, upheld and promoted by all organs and agencies of government and by all persons including persons with disabilities.

63. Affirmative action in favour of persons with disabilities

The Government shall take affirmative action in favour of persons with disabilities for the purpose of redressing imbalances which exist against them.

64. Freedom from torture or cruel, inhuman and degrading treatment or punishment.

(1) A person or institution shall not subject a person with a disability to torture or to cruel, inhuman and degrading treatment or punishment.
(2) A person or institution shall not subject a person with a disability to medical or scientific experimentation without the free and informed consent of the person concerned.

65. Harmful Practices

1. A person or institution shall not subject persons with disabilities to any form of harmful practices, including witchcraft, abandonment, concealment, ritual killings or the association of disability with omens.

2. A person or institution shall not subject any form of stereotyped views on the capabilities, appearance or behaviour of persons with disabilities, and they shall prohibit the use of derogatory language against persons with disabilities.

3. The State shall prohibit and criminalize any form of abuse and harmful practices targeted at persons with disabilities, and

4. Take all necessary measures to eliminate harmful practices including witchcraft accusations, which affect the welfare, health, life and dignity of persons with disabilities.

66. Right to privacy

Persons with disabilities, including those living in an institution, shall not be subjected to arbitrary or unlawful interference with their privacy.

67. Right to family

(1) A person with a disability has the right to a home and a family and is entitled; -

(a) To experience his or her sexuality and to have sexual and other intimate relationships;

(b) At the age of eighteen years and above, to marry a spouse of his or her own choice and to found a family;

(c) To equal rights in marriage, marriage and at its dissolution;

(d) To decide the number and spacing of his or her children; and
(e) To guardianship, trusteeship and adoption of children under the relevant laws.

(2) A person with a disability has a right and duty to care for and bring up his or her child and shall not be separated from his or her child except in accordance with the law.

(3) A child with a disability shall not be separated from his or her family or a person entitled to bring up that child except in accordance with the law.

PART XVI- SITUATIONS OF RISK AND HUMANITARIAN EMERGENCIES

68. Protection and safety of persons with disabilities

(1) The agency responsible for disaster Management shall include persons with disabilities as a target vulnerable group in disaster management planning activity implementation and assessment.
