

# **Worker's Compensation Information for Unpaid Internships**

## **Cache County and Logan City School Districts Work-Based Learning**

1. In the event of a life-threatening emergency, the injured worker should seek care from a hospital or an emergency facility.

Under no circumstances can an Intern Employer or a District Employee transport an injured student. Please use professional emergency medical agencies when necessary.

2. In the event of a non-life-threatening emergency, use the designated location for Worker's Compensation injuries. You MUST go to IHC WorkMed or denial of payment may occur.

**IHC WORKMED  
412 North 200 East  
Logan, UT 84312  
Phone: 435-713-2850**

3. Your school secretary must be notified within 24 hours. Required documentation forms will be provided.

4. If necessary, obtain written statements from witnesses.

5. Claims Administration and questions should be directed to:
