A Message From Our President

We look to 2020 with a renewed focus on assisting Dade County Federal Credit Union Members and working for their benefit. Doing that means continuing to search for innovative ways to improve and make things easier and faster for our Members – always safely and securely.

After more than 80 years in South Florida we’ve learned each Member interacts with our Credit Union in their own way. We celebrate their differences. Some regularly visit a branch, enjoying first-hand Member service and being greeted by name by our longtime employees. Others rarely enter a branch, content using online and mobile services. For both we know that their Member experience, in person or online, must be seamless and convenient. We do so by balancing convenience and accessibility with security and privacy, and a pledge to never offer a new service until it has been thoroughly tested and reviewed.

Today’s marketplace demands options, and to meet them we offer an ever-wider variety of services. We're balancing convenience and accessibility with security and privacy, and a pledge to never offer a new service until it has been thoroughly tested and reviewed.

Today’s marketplace demands options, and to meet them we offer an ever-wider variety of products and Member services. By providing checking and savings accounts, home mortgages, credit cards and auto loans. We help you save for retirement, put away money for college, or simply improve your financial health. Each is part of continually seeking new ways to go further and better serve you. Recent examples are our newly released debit card freeze and unfreeze services that are totally convenient and truly secure.

For all that’s new, some things will never change. Our commitment to giving back to the community and championing financial literacy among young people by holding dozens of events each year, many in conjunction with the Miami Dolphins. This past year, we’ve worked with established organizations like Women of Tomorrow offering education and mentoring to young women at risk, as well as with start-up charitable organizations needing grassroots assistance getting off the ground. Worthy causes matter at Dade County Federal Credit Union, and we’ve also proudly sponsored the opening of a new “tranquility room” at Holtz Children’s Hospital, offering a place for pediatric nurses to take well-deserved breaks.

In the end, we return to where we began, working to be truly accessible to our Members on their terms - via mobile app, telephone, our website, and of course, in person at one of our branches. We look forward to hearing from you.

Permit me to close by adding my personal hope that you’ll view your Credit Union as a resource in 2020 and beyond. Together we’re building a great future and I’m confident our very best is still to come.

Happy New Year,

George Joseph
President/CEO

DCFCU Gen-You Committee Making A Difference For Our Youth

In today’s world, our youth face an immense number of financial decisions and many of them can be unprepared to make informed financial decisions as they advance to adulthood. Educating of financial literacy is a promising way to improve financial literacy for our young adults. Knowledge is power, and that’s especially true in the world of personal finance. What you know about your money goes a long way toward determining how much of it you get to keep. There’s a lot to learn, but you’ve got a wealth of information at your fingertips here at Dade County Federal Credit Union (DCFCU).

The DCFCU Gen-You Committee provides financial resources to students throughout Miami-Dade County. With programs like Kids and the Power of Work (KAPOW) and SMART Kids, Gen-You has interactive lessons with dozens of students in over five Miami-Dade County Public Schools. These lessons cover topics of how important hard work is, the importance of saving, and managing your money wisely. Gen-You has impacted over 4,000 students in 2019 with the collaboration of Miami Job Corps, MDCPS Career Days, Kid Fun Days, and Back to School giveaways.

The primary goal is to ensure that the children in our community have all the necessary tools to make good financial decisions as they become older to live a sensible economic life.

With the Minor and Gen-You accounts we encourage savings habits. Every time an account holder makes a deposit into their account while visiting the branch, they will receive a cool gift or perk from the DCFCU Treasure Chest!

Let Gen-You help teach your kids financial responsibility. Visit dcfcu.org/youth to sign up for the Gen-You Newsletter for financial tips, upcoming events, youth services and more!

Caravan of Joy Toy Drive

The NBC6 22nd Annual Caravan of Joy Toy Drive was a huge success! Thank you to everyone who stopped by our branch locations to donate toys. These donations brighten up the lives of thousands of children in need throughout South Florida.
