System Upgrade Sunday, April 12th

A long-standing and scheduled system upgrade will begin on the evening of Sunday, April 12th and end early on the morning of April 13th. All mobile apps, online banking and ATMs will be available through the evening of April 12th and resume the following morning. We realize this is inconvenient even in normal times, but the upgrade is a necessary part of keeping our computer systems running smoothly. Look for more information from us soon, and if you have questions, please contact us at 305-471-5080. We will provide further updates on our website.

The health and safety of our employees, Members and community is of utmost importance and we have closely followed guidance from state and federal authorities since the onset of COVID-19. All of our branch lobbies are closed, however our branch locations with drive-through service will remain open in Doral, Homestead, Kendall, Miami Gardens and South Dade. We have extended the hours at our drive-through from 7 a.m. – 6 p.m., Monday – Friday and 9 a.m. – 2:00 p.m. on Saturday. Our drive-through is available for monetary transactions such as deposits, withdrawals, cash advances, money orders, cashier’s checks, and loan payments.

Our ATMs are fully operational at all branch locations and can be used for cash withdrawals, cash deposits and check deposits. Members can also use ATMs at Publix stores for cash withdrawals, with no fees. You can quickly find an ATM location near you by visiting dcfcu.org/atm-locations. Many other transactions can be completed online and through our mobile app, and we have re-allocated extra staff to answer your questions and assist you by phone at 305-471-5080. Please do not hesitate to reach out.

April Is National Credit Union Youth Month

Providing financial education embodies the movement’s ‘people-helping-people’ philosophy.

The theme for this year’s Youth Month is “Money Magic. Share, Spend and Save at Your Credit Union”.

Together, we’re encouraging our youngest members to learn common financial concepts they should understand:

- Saving
- Spending
- Sharing
- Investing
- Budgeting

Ask a representative about our contests for the month of April for a chance to win up to $1500 at 305-471-5080 or visit dfcu.org/saver for details.
