1 IDProtect service is a personal identity theft protection service available to personal checking account owners and their joint account owners. The service is available to non-publicly traded businesses and their business owner(s) listed on the account (service not available to employees or authorized signers who are not owners). Service is not available to a "signer" on the account who is not an account owner. Service is not available to clubs, organizations and/or churches and their members, schools and their employees/students. For revocable grantor trusts, the service is available only when a grantor is serving as a trustee and covers the grantor trustee(s). For all other fiduciary accounts, the service covers the beneficiary, who must be the primary member (Fiduciary is not covered).
