## **overview & market analysis**

» category includes products that are marketed to enhance health/well-being, sex appeal, or to indicate prestige or luxury lifestyle

» includes perfume, soap, lotion and body butter, body wash, bath salts, shampoo/conditioner, aromatherapy, diffuser and body oil

» closely related to cosmetics, but is a separate category

## **competitors**

» Anthropologie » Lollia » DKNY » Ulta

» Sephora » Victoria's Secret » Bath & Body Works

» Thymes » MOR cosmetics » Sula » Pout

## **goals**

- » product will make women feel comfortable, classic and pretty
- » package has WOW factor to attract female shoppers

## **target audience**

*primary: female customer*

- » women ages 21-35; upscale, casual luxury
- » healthy, happy and active women concerned with the environment
- » fun, chic, classic, smart, savvy, unique, and sophisticated

*secondary: cosmetic stores*

- » retailers who would be selling these fragrance packages on their cosmetic shelves
