**START TALKING.** Find a conversation starter for your group.

- When you hear the term “Christian community” or “biblical community,” what do you think?

**START THINKING.** Ask a question to get your group thinking.

- The word “community” means different things to different people. What differentiates biblical community from other types of community?

**START SHARING.** Choose a question to create openness.

- What is the connection between “love and good works” and biblical community?
- What does it mean to “stir one another up?” What makes this so difficult?
- Read Hebrews 10:24-25. What are the two “one anothers” of this text? Why are both necessary? What happens if only one is present in our community?
- What does the Hebrews writer mean by “let us consider?”
- What are the results of living apart from Biblical community?
- Can a person have Biblical community in a digital environment?
- If someone was forced to pick between large group church services, and LifeGroups, which one would you encourage them to participate with? Why?
- What other things do you observe in this text that wasn’t mention in the sermon.

**START PRAYING.** Be bold and pray with power.

- Pray that the people of Colonial Hills will receive and commit to this year long experiment.
