START TALKING. Find a conversation starter for your group.

- What is the best piece of wisdom you've ever been given?

START THINKING. Ask a question to get your group thinking.

- Why is there a lack of wisdom in the world? What is the overlap between worldly wisdom and godly wisdom?

START SHARING. Choose a question to create openness.

- What does it mean that wisdom is grown? How does it grow? How have you grown in wisdom?
- Is wisdom only a virtue attainable by age?
- What should a young person do to increase wisdom in their life?
- Do you know of anyone that has the spiritual gift of wisdom? How have you seen that person use their gifting in the Church? How does the gift of wisdom get utilized in the local church?
- Read and respond to Proverbs 13:20.
- Do you agree/disagree that godly wisdom is often "filtered" by people?
- Have you ever been a "companion of fools?" When was that season, and what was the result?
- Why is the Gospel considered foolishness?

START PRAYING. Be bold and pray with power.

- Pray that God would stir people to reevaluate their relationships so that they would walk with the wise.

START DOING. Commit to a step and live it out this week.

- Make intentional to limit access of foolish people to our lives, while making strides to get near the wise.
