START TALKING. Find a conversation starter for your group.

- What do you know about John? What do you know about John's writings?

START THINKING. Ask a question to get your group thinking.

- Luke mentioned two Christian billboards in the city of Memphis. What do you think the purpose of those billboards are? Why would someone fund these projects?

START SHARING. Choose a question to create openness.

- What does it mean that "real Christianity" involves something spiritual? Why must something spiritual happen in order for a person's faith to be authenticated? Read 1 John 4:1-6.
- Why does John use "endearing" language in 1 John? To whom is John writing? Where would this church be located in modern days? What's ironic about that fact?
- What does it mean to "test the spirits?" Read V4. Why is this verse so powerful for Christians? What does it mean that these Christians have "overcome?"
- Why is the Christian understanding of love unique?
- Read 1 John 5:2-3. What does it mean that the commandments are not burdensome? What does it mean that loving God's children is obeying the commandments?
- What does it mean that Jesus is sufficient? What does it mean when someone "dabbles" in multiple spiritualities?
- Why does John talk about Jesus coming through "blood & water?"
- How have you seen God move lately?

START PRAYING. Be bold and pray with power.

- Pray that God would make the members of Colonial Hills confident of our salvation; pray that God would use 1 John to reveal to some their need of salvation.
