**START TALKING.** Find a conversation starter for your group.

- What's the longest time you've spend studying a book of the Bible?

**START THINKING.** Ask a question to get your group thinking.

- What are the benefits of spending an extended period of time preaching through a book of the Bible? Are there any downsides?

**START SHARING.** Choose a question to create openness.

- Why is the author starting this chapter in the middle of the battle?
- Was Saul's death predetermined? If God has rejected Saul as king, why does it take so long for Saul to be removed from leadership. Read 1 Samuel 13:1.
- Compare and contrast: 1 Samuel 1 & 1 Samuel 31
- Why do some of the warriors of Israel go through the trouble of recovering Saul's body?
- How high on your agenda is the honor of God? (Question via Dale Ralph Davis)
- What's the difference between Saul's death and Samuel's? Why the difference?
- Why is it potentially dangerous to us the word "good" when referring to the character of a man? What is the term that 1 Samuel uses to refer to superior/healthier/stronger men?
- Why did the armor bearer refuse to assist Saul with his suicide? Is it too much of a stretch to think his refusal is connected to the conduct of previous armor bearers?

**START PRAYING.** Be bold and pray with power.

- Pastoral Note: Easter is coming. Please pray that the Gospel would reach people in our church and community on Easter Sunday. Please pray for all the other Gospel preaching churches in our community.
