John 2:13-22

Exodus 25:1-8

Exodus 40:33-35

1 Kings 8:27-30

Revelation 21:22

START TALKING. Find a conversation starter for your group.

- What makes relationships so important to the human experience?

START THINKING. Ask a question to get your group thinking.

- How does knowing that you're designed for relationship with God effect the way you see yourself? What does it say about God?

START SHARING. Choose a question to create openness.

- **What, if anything, stood out as noteworthy from Sunday's sermon?**
- **Read Exodus 25:8 and John 2:13-16**
- What was God's purpose for the tabernacle/temple, and why do you think Jesus was so upset about it being misused?
- Other than places of worship, what are some other things God gives us that should to point us to him? How do we see the same issues of human misuse?
- In cleansing the temple, what does Jesus teach us about cleansing brokenness and restoring God's plan in the spaces we inhabit?
- **Read John 2:18-22 and Revelation 21:2-3, 22**
- Jesus refers to his body as the temple that will be torn down and raised back up. How is Jesus the temple that makes all other temples unnecessary?
- How does the resurrection prove that Jesus alone is able to really draw God and humanity together?

START PRAYING. Be bold and pray with power.

- Pray that those who were first time guests or inconsistent attendees will be transformed by what they experienced on Easter Sunday.

START DOING. Commit to a step and live it out this week.

- Look for one way we can expose brokenness and restore God's plan in your regular environments.

Helping people find & follow Jesus.
