START TALKING. Find a conversation starter for your group.

- How was your Christmas break? What did God do in your life during Advent?

START THINKING. Ask a question to get your group thinking.

- What types and styles of church leadership have you been exposed to during your faith journey?

START SHARING. Choose a question to create openness.

- What are the two leadership offices outlined in the NT? Are there any other offices in the NT church?
- What church “disruptions” are you seeing right now?
- Read 1 Timothy 3. What does this tell us about leadership character? Does “character count” in secular areas of leadership? Should we expect this from government leadership? Why/why not?
- On the 1 Timothy 3 list, what character expectations are most difficult for you and why?
- How is self-awareness connected to character?
- What does it look like to live a life “above reproach?”
- What character requirement most frequently disqualifies most pastors/elders/deacons?
- What competency is required of Elders? What does 1 Timothy 5:17 teach us about different types of Elders?
- What does it mean to “manage one’s household well?”

START PRAYING. Be bold and pray with power.

- Please pray for our SH congregation as they begin the process of transitioning to a new building. Please pray for Pastor Kortney as he leads.
