### START TALKING. Find a conversation starter for your group.

- Have you ever been sued? Have you ever sued anyone?

### START THINKING. Ask a question to get your group thinking.

- Name five ways that conflict should be different between Christ-followers and Non-Christians.

### START SHARING. Choose a question to create openness.

- Why is Paul challenging the way that the Corinthians church is handling legal matters?
- Why do you think that many Christians too easily adopt a secular worldview? In what ways do you see Christians in 2024 adopting a secular worldview?
- What makes civil situations/suits so complicated?
- Why are “unrighteous judges” partially inadequate at dealing with Christian conflict?
- How has 1 Corinthians 6 been abused? Have you ever witnessed the misinterpretation of this text?
- How should Christians “partner” with governing authorities when there are criminal issues in the church?
- Obviously Paul gives special instructions for legal matters between Christians. Does that mean there are no governing principles for legal issues with non-Christians? If so, what are they?
- Why are lawsuits amongst Christians “lose, lose?”
- Have you ever had to “win back” a brother after an offense?

### START PRAYING. Be bold and pray with power.

- Pray that God would put the right people in Discipleship Academy for our next class.
