Fundamentals/Intermediate Session: Ages 4-10. The daily schedule for our youngest Future Raiders will be structured to ensure a low Camper-to-Coach ratio and to ensure that they are actively engaged and having fun learning the fundamentals of the game of baseball! Older players will be introduced to more in-depth instruction and will have the opportunity for instruction at all defensive positions. Daily schedule will be structured to maximize time and ensure that each camper is actively involved and having fun while being challenged through drill sessions, scrimmages, contests & games.

Advanced Session: Ages 11-14. This intense, 7-day camp will challenge players beyond their previous baseball experiences and is sure to help each player grow in all phases of the game including offensive and defensive fundamentals, situational hitting/approach, team defensive situations and base-running. Players will be videoed while hitting and receive one-on-one feedback regarding their swing as they watch their video with coaches. **Camp will also feature our new state-of-the-art Fungoman machine ([www.fungoman.com](http://www.fungoman.com)).** Players will participate in intra-squad scrimmages receiving in-game instruction on all phases of the game. Players will be divided into two teams for the last two days of the camp and will play an “Orange/Blue” Series with the winning team receiving Champion t-shirts.

**\*NEW: Raider World Series Camp: Ages 6-9.** Everyone’s favorite part of camp...scrimmages!! Participants will be divided into competitive teams for the week and play fast-paced **Coach-Pitch** games to ensure plenty of at-bats for all and plenty of action for the defense. Teams will play a round-robin tournament over the course of the 3 days with emphasis being placed on **FUN** and learning baseball situations. All campers will receive a camp t-shirt. In addition, camp champions will receive a camp champion t-shirt.
